Real Value in Boys Suits Each With Two Pairs of Knickers

Here's value with an old-fashioned "kick." They invite ACTION because they're well-made of good quality fabrics.

Two pairs of knickers of course. That means double the wear. Splendid fabrics in lively mixtures and colors for Spring.

Buying fabrics for hundreds of stores is the reason for this remarkable value. Lower costs to us mean real, definite savings to you.

\$5.90

Other Suits \$7.90 to \$12.75

Boys' Caps

Good Values, Too

Of these good-looking, hard-finish cassimeres in new plaids; dark and medium shades.

Full silk serge lined; real leather bands; plated and one-piece models—

98c

Boys' Tub Suits

Big Values

Unusually durable fabrics in large variety; also many new models in the colors for Spring.

Well-made suits; fast color; sizes 2½ to 7. Low priced at—

\$1.98

MAN'S THUMB AND MAN'S WIFE COST EVEN MUCH

ALLEGAN MAN ASKS \$5,000.00 FOR CHEWED THUMB AND \$5,000 FOR LOST LOVE

John Daleiden, Pullman, Allegan county is in the John Robinson hospital recovering from the results of a fight which he and Oscar Stevens, also of Pullman, staged in that village on April 7. Daleiden has filed a suit in Allegan county circuit court asking damages from Stevens in the sum of \$10,000.

Half the sum is claimed for the injury done to one of Daleiden's thumbs which in the fight between them, Stevens is alleged to have chewed. The other \$5,000 Daleiden claims for the loss of his wife's affections, that he charges Stevens has stolen from him.

Recently Judge O. S. Cross dismissed the Daleiden's divorce suit and the fight was an aftermath of this. Daleiden, through his attorney, Clara E. Hoffman, declares that Stevens was the aggressor in the fight and that due to blood poisoning setting in he stands to lose the services of his hand, and that his earning power has been reduced.

He also claims that he and his wife were happily married until Stevens became attentive to her.

An affidavit from Dr. Henry A. Peplin, Pullman, states that Daleiden is suffering from tetanus as the result of Stevens chewing his thumb and an affidavit from George Spore, Pullman, declares that Stevens started the fight.

Stevens was taken on a writ of capias ad respondendum which requires the authorities to hold the defendant even though the action is a civil one, until he has furnished required bail. Stevens is now on bond.

Reports from the hospital are to the effect that Daleiden is getting along nicely, though his improvement is slow.

Attorney Hoffman has asked a jury trial of the case.

LOCAL INSTRUCTOR GIVES PAPER BEFORE HISTORICAL SOCIETY

MISS METTA ROSS LEFT FOR DETROIT TO ATTEND MEETING THERE

Miss Metta J. Ross, instructor in Holland High school left for Detroit to attend a convention of several Michigan historical societies. Friday given evening an elaborate banquet will be given and following what is called the Teachers' section will be held. At this meeting four papers are to be given, one by Miss Ross of Holland on the subject "Creating Background in History for the High School Pupil."

There will also be a meeting of the Mississippi Valley Historical Ass'n on April 30 to May 2 also at Detroit. On Thursday addresses will be given by prominent university and college men of the valley states, all meetings are to be held at the Statler Hotel at Detroit. On Friday the delegates will leave for Ann Arbor for a morning session in the Clement Library at U. of M. A luncheon at the Michigan Union has been arranged followed by an address on the Michigan-Wisconsin Boundary Dispute.

OTTAWA COUNTY-M. A. C. EGG LAYING CONTEST

The following report is sent in by County Farm Agent, C. P. Millham: Royal Hatchery passes 100 mark. Standards first in Leghorn section and second in contest.

Following are standings of Ottawa pens in the Michigan Egg Laying contest:

Royal Hatchery	1004
John Park	859
Grandview Poultry Farm	855
Standard Hatchery	799
G. D. Wyngarden	822
Silverware Hatchery	788
H. Wiersema	748
S. Harkema	696
Lakeview Poultry Farm	692
Townline Poultry Farm	676
Wolverine Hatchery	666
Brunner-Fredrickson	663
Meadowbrook Poultry	592
J. Cooper	570
Forest Grove Hatchery	524
Silverware Hatchery	508
F. Swift	409
Geo. Caball	391

STRUCK WOMAN WITH SHOVEL IS CHARGED

Brice McFall, 35, demanded examination on a charge of having struck Mrs. Eva Helder over the head with a shovel when arraigned before Justice O. D. Clements in Muskegon Heights Wednesday. Both McFall and Mrs. Helder reside in Norton township.

A driveway that separates their property has been the cause of numerous quarrels and it was following one such row that McFall is alleged to have attacked both Mr. and Mrs. Helder with a shovel, according to Deputy Walker, who investigated.

269 CASES OF SCARLET FEVER DURING MARCH; IN GRAND RAPIDS

A total of 269 cases of scarlet fever were reported in Grand Rapids during the month of March, according to a bulletin issued Wednesday by Dr. C. C. Clements, health officer. Two deaths resulted from the disease during the month. Cases of measles were next most numerous, 169 being reported. There were no deaths, however, from this disease. Nine cases of influenza, with 11 deaths resulting from this cause were listed.

TWO PLAYS LAST NIGHT PLEASE AUDIENCE

HOPE CHURCH AID SOCIETY ENTERTAINMENT TO BE REPEATED TONIGHT

An appreciative audience greeted the several players and musicians which the Hope church Ladies' Aid had secured for two clever comedies and numerous excellent musical attractions in the Woman's Literary Club rooms Wednesday night.

The large stage of the club rooms was at first transferred into a living room in the suburbs of a large American city. With this setting the playlet entitled "Two Pairs of Spectacles" was given. The cast for this was chosen exclusively from Hope College students. Walter Roughgarden as Mr. Prather, the blind for a time, succeeded in winning the devotion of Cynthia Melpolder, playing as Winifred Smith. Just as soon as Mr. Prather exchanged glasses with old grandfather Prather the sight returned. They had things mixed up. With the return of sight many little fears were removed.

The second playlet entitled "The Trysting Place" was played in a fashionable country hotel. With the exception of Mrs. George Pelgrim, who acted as the widow Mrs. Curtis, Wood by two, these actors were also Hope students. A supposedly secret room in the hotel becomes the place where three members of the same family propose marriage, all unbeknownst to each other. The players in the plays were, the Misses Natalie Reed, Aileen De Jong, Cynthia Melpolder, Kathryn Keppel, Martha Gabbard, Mrs. George Pelgrim, and Jack Veldman, William Hilmert, Abraham Dulmes, Frederick Stegerda, Walter Roughgarden, Geo. Damsen, Vernon Ten Cate and Russell Pleune.

The Holland High school orchestra rendered several fine selections including "Hungarian Dance" by Brahms. Mrs. J. E. Telling sang the selections, "Fluttering Birds" and "The Black Bird."

Miss Ruth Keppel played very beautifully three violin solos. Much credit for the success of the evening goes to Miss Vera Jane Keppel, the coach of the two plays. The performance will be repeated Thursday night.

FIRE DEPARTMENT TO MAKE DEMONSTRATION SATURDAY

Immediately after the parade on Saturday at 3 o'clock, the Holland Fire department will give a demonstration at the Hotel corner. First making a run after which Chief Blom will have his men spray streams on and over the new "Warm Friends Tavern," so it can readily be seen that Holland's new hotel will be thoroughly baptized on the day of the opening.

On the afternoon of the big demonstration Saturday Central Ave. will be closed from 8th to 7th street by order of the street committee, for the reason that a band stand and a speakers platform will be erected, and with room enough left for the crowd to congregate, to listen to any program that may be arranged by the committee.

A big parade that will "tell the world" that Holland has a new hotel of which the city is proud will be staged on Saturday afternoon on the streets of Holland. The parade feature of the celebration on Saturday is developing into one of rather large proportions and the indications are now that, if the weather is favorable, Holland will witness a parade such as it has not seen for a long time.

The committee recently appointed to be in charge of the arrangements for the celebration is working hard on the parade. The committee is composed of Charles Kirchen, John Vandersluis, Mayor Kammeraad, James De Pree and Milo De Vries.

A feature of the parade will be the horses that will be in the line of march. Some may have the idea that there are no horses left in Holland but the committee has found an imposing number of them and, what is perhaps even more important, people who know how to ride them. These will be on hand on Saturday afternoon to give the parade something of the air of parades before the day of the automobile. A parade of automobiles only, although impressive, is often more or less lifeless, but a number of horses help to give it a martial stir that makes for interest.

The fire trucks will also be out with the firemen in full regalia. The American Legion will be liberally represented by its members who will show the others how to march properly. The national guard boys will also be in the line of march and they will be followed by the boy scouts. The whole procession will be preceded by the American Legion band and it is planned to get many automobiles into the lineup. The Delphi girls of Hope College will receive the people in the lobby of the hotel after the parade.

Full details of the parade, time of starting and line of march, will be published as soon as the committee has worked out its whole program.

New Warm Friends Tavern is all decorated up with flags and bunting, and the business men are falling right in line with decorations.

Local police harbored eight hobos in the city jail over night. Authorities say that more hobos are striking Holland the last month than have been noticed here for six months back.

Mrs. J. C. Westrate, 59 W. 17th st., gave a birthday party Tuesday for her daughter Nella to celebrate her fourteenth birthday. Those present were: Misses Doris Woodall, Jeanette Herman, Wilma Karsten, Evelyn Van Dyk, Julia Vander Hill, Harriet Braamse, Henrietta Westrate, Hazel Westrate, Marion Postma, Hester Pellegrom, Nella Westrate, Sena Westrate, and Ruth Ver Hey.

GOVERNOR TO DECIDE G. H.'S APPROPRIATION

IF HE SIGNS BILL, COUNTY SEAT WILL GET \$15,000 MORE FOR PARK

Whether Grand Haven will secure its \$15,000 appropriation with \$1,500 maintenance for the Grand Haven state park, is now up to Governor Alex. J. Groesbeck, the bill in which this was included having passed the house and senate and finally going to the governor to await his signature before becoming effective. This information was received by City Manager Taylor Wednesday and the signing of the bill is eagerly awaited by the Grand Haven people who realize the need for future improvement at the park.

It is stated that the maintenance fund provided in the bill will be used for general improvement about the park including a great deal of work on the sanitary arrangements. Septic tanks may be installed this year.

The appropriation of \$15,000 will be used to build a new oval, south of the present oval. It is stated.

MAN, WOMAN HELD ON STATUTORY CHARGES

John Davison and Mrs. Jessie Shaw pleaded not guilty when arraigned before Judge John Vanderwerp Muskegon on statutory charges. They were arrested in Ludington and returned there by Sheriff Covell. Davison is the father of six children. They had registered as man and wife at a Ludington hotel, the sheriff said.

ANOTHER ALLEGAN CO. POOR FARM CASE

In the case of Ignatz Swartz vs. Joseph and Margaret Ramp a plea was filed in Allegan county circuit court. In this suit the plaintiff sued on a judgment for \$490 secured against defendants in Chicago. Defendants claim that plaintiff sold them a farm in Clyde, near Fennville, and fraudulently and falsely represented its value to be worth the stock on it \$1,900. On the contrary they say that the personal property had little value, and the farm was not fenced and was worth about \$800. They had paid \$1,500 and the judgment was for the balance. They claim this judgment was void for lack of jurisdiction and asks for \$1,000 from plaintiff.

HOLLAND 1925 CHICK SHIPMENTS SET MARK

Holland chick shipment records for the season were broken Monday when nearly 100,000 chicks were shipped by parcel post from the local postoffice. The chicks were shipped from 45 hatcheries in this vicinity to all parts of the United States and Canada.

GHAND HAVEN STUDENT RE- CEIVES FINE SCHOOL RECORD

On the high scholarship list just announced for the winter term by the West State Normal at Kalamazoo is Miss Grace Bolt of Grand Haven. Only 90 people in a student body of over 2,000 were honored by places on the high scholarship list each of this number receiving at least three A's from class instructors. The Sophomore class leads the roll with 52. Freshman and Junior class have 15 each on the list and the Senior class has eight. Especially strict enforcement of the grading regulations by the Normal professors during the winter term makes a place on the high scholarship list an even greater honor than usual. Miss Bolt had three A's and two B's.

FILLMORE MEN TO VISIT EUROPE EARLY IN MAY

John Zoet, in business in Fillmore, and Rikus Nyhof of Fillmore township expect to sail from the port of New York early in May, for Liverpool. After visiting points of interest in Scotland and England, they will cross to Amsterdam and spend considerable time in the Netherlands, where both were born. They then intend to visit Paris and some of the battlefields of the World War, whence they possibly will go to Germany, Switzerland, Austria and Italy, sailing for America from Rome. They plan to be away for about three months.

DEBATE STAGED FRIDAY NIGHT IN HOLLAND

An interscholastic debate will be held at the Christian high school Friday night when Grand Rapids Christian high meets Holland Christian high. The question is: "Resolved: That the United States and Canada should jointly construct a Great Lakes-Ocean water way via the St. Lawrence River, as proposed to congress by the international joint committee in Jan., 1922." This will be the first interscholastic debate for the Christian High contests against Chicago, May 15th. One team will debate at each school—Holland's affirmative versus Grand Rapids negative here, and Holland's negative going to Grand Rapids.

The judges selected are: Professor J. Lubbers of Hope College and Arthur Van Duren, while the third member is yet undecided.

The members of Holland's affirmative team are: Leon Bosch, Wm. C. Kosters and Harold Dekker, all three seniors. The members of the negative team are: Leo Peters, Cornelius Plantinga and Glen Fyneweaver, all three Juniors. The teams are coached by Principal C. De Graaf.

Mrs. and Mrs. E. Israels and daughter were in Grand Rapids today.

OTTAWA CO. MAN FIGHTS IN- TERURBAN BILL

MEASURE PASSES HOWEVER BY A 65 TO A 23 VOTE

The Karcher bill, which was passed by the State Senate sometime ago passed the House of Representatives yesterday by a vote of 65 to 23. Relatives to the passage of this new law the Grand Rapids Herald has the following:

"The other interesting feature of the day was the passage after a real battle of the Karcher bill to give relief to the interurbans and railroads. It was but a small band that was left to fight the bill out. They fought for all there was in them. McEachron of Ottawa, Hartzog of Ingham, Holland of Gogebic, Eple of Clinton and Evans of Lenawee fought the fight to the finish. McEachron offered an amendment which would have had the same effect as that defeated yesterday, but it lost on a roll call with but 29 votes for it. The 57 opposed seemed a minimum for what the bill would get on passage, but when the vote on the passage came the bill had 65 for it and but 23 against. The bill now goes to the governor for signature."

The bill came as a result of the wrecking of the interurban and many short line railroads through the competition of the buses and the trucks, for which Michigan taxpayers provide and build a right-of-way of concrete.

It is necessary under the law for the buses to show "convenience and necessity" before they are given a permit to operate, but the utilities commission has seen fit to rule that the "convenience and necessity" applies only as between bus lines and not as between bus lines and rail lines.

The result has been that bus lines have begun operation in direct competition with interurbans and railroads until there is today just one interurban left in the hands of a receiver and in the case of this it has been announced that one will shortly be applied for.

In the northern part of the state many railroads are virtually out of business and are suspending service and making application to abandon lines largely because of this competition.

The result is that, applied to interurbans alone, more than \$100,000,000 invested is on the way to the scrap pile because of the competition of an investment of but \$3,000,000 and roads paying taxes amounting to more than \$800,000 are being forced to give way to bus lines paying but \$74,000 tax.

The sole salvation for the interurbans and the struggling railroad lines in securing power to operate bus lines parallel to their rail lines.

The Karcher bill permits this. It permits the railroads and the interurbans to operate bus lines parallel to their present rail lines without the necessity for showing convenience and necessity. It gives them inherent and prior rights to the territory which they developed and have been serving and may give them a chance for life.

TO RAISE FUND FOR ARABIAN HOSPITAL BED

A miscellaneous program will be given tonight at the Fourth Reformed church by the Christian Endeavor society for the purpose of raising dollars to support a bed in an Arabian hospital.

Each year a program is given and this year the pastor, Rev. J. F. Heemstra, will give a lecture on his trip through Southern California. Besides this lecture there will be several musical numbers and readings. A collection for the above mentioned purpose will be taken. All are most cordially invited to attend.

THERE ARE 928 CREAMERIES IN MICHIGAN

KENT COUNTY LEADS IN NUMBER; ALSO DRINK THE MOST MILK

Recently compiled figures of the Department of Agriculture tell us that during the last two years the state has been started in operation 263 new creameries. This number is added to the large list previously in operation. In 1922 there were 779 creameries licensed and doing business in Michigan. Of that number 119 went out of business between 1922 and the present year. There are today in operation in Michigan a total of 928 creameries.

Kent county led the entire state in the number of creameries. It was found that Grand Rapids, largest city in the county, also led the state in the amount of milk consumed per day per capita with 1.1 pints. Detroit was second in the number of creameries, and also ranked second in the daily consumption of milk with .96 pints per capita. In counties supporting only one or two creameries saw the milk consumption drop to less than 3 pints per day per capita. Of the creameries that have gone out of business during the past two years some were absorbed by larger concerns, some went bankrupt, and only one was destroyed by fire.

IS GIVEN A BIG CONTRACT IN DETROIT

Mr. Richard Wiggers, representative of the American Engineering Co. left for Detroit this morning. He has secured the contract for the mechanical stokers to be used in the new municipal power house. Mr. Wiggers is well known in Holland, having lived here for a number of years.

LOCAL

A tentative agreement was reached Friday at Lansing by leaders of the house and senate to adjourn the legislature next week. The final day probably will be Saturday.

A special election was held at Fennville on Monday April 27 for the purpose of granting a 30 year franchise to the West Michigan Electric Co. which is offering to furnish the village with electricity.

Fennville has voted on several special propositions but probably none where the pre-election sentiment was so decidedly in favor of the question. The present electric light plant is inadequate; on the other hand the new line to come into Fennville will furnish unlimited current for both power and light, will serve the village 24 hours a day and every day of the week at a rate less than what is now being paid.

The new vault door of the Fruit Growers State bank arrived this week and is being installed by workmen sent from the factory. A new and up-to-date burglar alarm system also has been installed in the bank, which will be one of the best protected institutions in the state. The door is said to be the only one of its grade in the state outside of the cities of Detroit and Grand Rapids. The new improvements when completed will have cost close to \$15,000. Pictures and descriptions of the vault door, and burglar alarm are being prepared for publication at an early date.

A few days ago John Arendshorst, together with Attorney Thomas N. Robinson, examined some of the old records and abstracts that had to do with the newly acquired resort property, known as the Baker and Boone woods on Lake Michigan.

The first entry of transfer made indicates that the property was located in the village of Portsmouth. This transfer was made in 1836, one year before Michigan was admitted to the union as a state.

Apparently locations were named by individuals while Michigan was still a territory, and it must be remembered that there was no Ottawa county at that time, no Holland or Grand Haven, no court house or register of deeds.

The supposition is that the village of Portsmouth was an Indian trading center as many Indian trails, still visible not so many years ago, led to that point on Lake Michigan.

The discovery of this historical name may have some bearing on the selection of a permanent name for Mr. Arendshorst's new resort.

The filing of the records of this property shows, according to date, that the abstract was made, such as it was 10 years before Dr. VanKaatle and his pioneers landed in Holland.

Manager Tysson of the Warm Friend Tavern announced Monday that the success of the stockholders' banquet at the hotel on Thursday evening is already assured so far as numbers go, and he vouches for the success of the event so far as the banquet features go, while the committee in charge of the program has no fears as to the success of the speaking and music.

Mr. Tysson said that already over a hundred tickets have been disposed of, which he considers a very good beginning several days before the date of the event. He is planning for 300 plates, which will mean the attendance of 150 stockholders and their wives. He believes that that number will attend and is laying his plans accordingly. The larger the number the more impressive the showing will be and the better sendoff the new hotel will get.

Manager Tysson corrected an impression that seems to obtain to the effect that the banquet is to be strictly a formal affair. That is not the case and no one need hesitate to come on that account. The banquet will be semi-formal, that is, those who wish appear in evening dress can do so while those who do not desire to wear evening clothes can follow their wishes in the matter. All will be welcomed and there will be a spirit of democratic good fellowship. The hotel is the community's project and the banquet will be strictly a community event which anyone who is a stockholder can attend.

Work is going forward rapidly to make the banquet an impressive one and nothing will be left undone to insure the success of the big gathering. It will be for many the first glimpse of the new hotel's interior and the large banquet hall is sure to be well filled.

Through the initiative of the board of health of Holland a step has been taken looking toward the erection of a tuberculosis sanatorium in Ottawa county. The members of the Holland board of health and the members of the board of health of Grand Haven appeared before the board of supervisors Wednesday and asked that steps be taken looking to the prevention and cure of tuberculosis in this county.

The board of health of Holland some time ago began to gather statistics for presentation to the supervisors. Every township and city and village in the county was visited to find out how many cases of tuberculosis there are in this county. It was found that the cases reported in the townships the past few years number 85 and the number of cases in the three cities was 83, making a total of 168.

Every physician and every person familiar with tuberculosis work knows that for every case reported there are always several that do not get reported. Usually the proportion is put at five to one so that the number of cases in Ottawa county is really quite appalling. There were 11 townships where not a single case was reported, although everybody who knows anything about tuberculosis knows that there is no township anywhere in Michigan that has no tuberculosis.

It merely means that the cases that do exist were not reported. The board of health report that since 1916 eighty-seven persons died in Holland of tuberculosis—which is a very high death rate from a single disease; and it is fairly certain that the rest of the county is not any better off.

In view of this situation the boards of health of Holland and Grand Haven believe that the board of supervisors should do something to protect the people of the county against this disease. The board of supervisors has referred the matter to the committee on health for investigation.

Mrs. Jake Japenga, Mrs. Frank Eby, Raymond Japenga and Mr. Seeholm motored to Chicago Saturday. The Ninth Street Christian Reformed church has named a trio composed of Rev. W. P. Van Wyk, Rev. J. De Haan and Rev. G. Hylkema.

A sentence of five days in the county jail and a fine and costs totaling \$21.10 were imposed on Floyd Lambert of Berlin township, Allegan county, who pleaded guilty to assault and battery on his wife.

The Muskegon board of education has authorized expenditures not to exceed \$5,000 for summer school expenses and bathing beach expenses not to exceed \$32,500 for the coming summer. It ruled out proposed expenses for supervised playgrounds. It authorized the planting of shrubbery about the Hackley and Moon schools and the building of two tennis courts at the northwest corner of Wilson field.

Trees numbering 100,000 are being shipped from various nurseries to Muskegon county as the first step in the 10,000 acre reforestation project that Farm Agent Carl H. Knopf expects to put over during the coming ten years. There will be another series of forestry meetings to be announced later.

Hiriam Hilliard of Allegan, arrested on a charge of perjury in obtaining a license to wed 15-year-old Florence Wuis, has been released from custody on bail of \$500 for appearance in circuit court. Hilliard is said by officers to have been previously married three times and to have six children.

Holland churches in the Reformed church in America have shown a steady growth during the past year. Statistical reports compared with the previous year show an increase of 83 families, 194 communicants and 46 Sunday school enrollment. The eight churches in the denomination now represent a constituency of 1,454 families and 3,454 communicant members.

Fifteen of Holland's good volleyball players came down last Monday night and gave our business men another lesson in the game. If we could spell their names we would tell the world who they were. At any rate they were a bunch of congenial fellows and they can surely spike the ball. After we partake a little more of their ways we can interest them more in the game.—Fennville Herald.

It costs more than \$200 to hold an election in this city. Inspectors and clerks draw \$8 each, this being for two days' pay as they have to work late at night to complete returns; some other officials get \$3 each, and the rest goes for meals, setting up the booths, rent of polling places, etc. In addition to this there is the cost of ballots, bringing the total considerably above \$200.—Allegan Gazette.

Grand Haven's big building boom is continuing, with nearly \$25,000 worth of building permits being issued during the past week. These permits include a \$10,000 dance pavilion to be located on the harbor front. Cornelius Van Hemert also is to do considerable building with a commercial structure on Washington street, estimated cost at \$7,000. Grand Haven is experiencing a lively rush of business and during the past two weeks conditions have bettered at an amazing rate.

Glenn Severance of Holland was stopped in his series of victories in the oratorical contests put on by the Detroit News to arouse interest in the constitution. Severance did not win one of the first five places at the contest in Detroit Friday night; as a result he will not have an opportunity to figure in the other contests in the series.

Dallas Dort, Jr., of the Flint Central high school, was winner over the nine other Michigan sectional winners in a state and nation-wide contest in which the speakers discussed some phase of the constitution of the United States. George MacArthur of Mason high was second; Earl Gremel of Northwestern high, Detroit, third; Ralph Johnson, St. Agnes high, Detroit, fourth, and Joy Vogel, Ann Arbor, fifth.

Young Dort will represent Michigan against orators chosen at Chicago, Indianapolis, Louisville and Buffalo for the championship of the central zone. This contest will be held at Indianapolis next Friday night.

The winner of the Indianapolis contest will go to Washington for a contest against other zone winners May 3.

The speeches of the 10 Michigan winners competing in the Cass Technical high school at Detroit were radioed by the Detroit News station.

The judges whose averages selected the place winners of the contest were: George P. Welsh, lieutenant-governor; Joseph P. Moore, justice of the Michigan supreme court; Carl C. Simons, federal judge; Robert J. Murphy, Detroit circuit court judge; Leo M. Franklin, Detroit; Walter S. Foster, Lansing, president of the Michigan Bar association, and E. E. Jallup, secretary of the Michigan High School Oratorical association.

Grand Haven has at last opened its eyes to the fact that its needs better protection and at a meeting of the common council steps were taken to purchase a new pumper for its fire department. In Grand Haven, half way surrounded by water, with a slip right up to the business district, there are great possibilities for a fire truck of the pumper variety.

It was therefore definitely decided that as quick action as is practicable should be taken to secure a pumper apparatus addition to the Grand Haven fire department. The new council was unanimous in the opinion that additional fire protection was needed at the earliest time possible. Agitation for a pumping apparatus has been under way for a number of years but so far the matter has been deferred. A number of mishaps lately have occurred in such order that the need for a piece of modern pumping apparatus has been forcibly brought to the public mind.

The council authorized the city manager to confer with the chief of the fire department as to what is needed in this line. Sentiment seems to be for a pumper of over seven hundred and fifty gallons a minute capacity with probably a thousand pumpers with the selection. The American-LaFrance, the same as Holland has, or Seagrave pumper, also a very good make, seems to be the probable choice. Points are advanced in favor of each and Chief Pippel recommends both as good machines of standard make.

If you want canvasbacks and red-heads plant wild celery tubers, as soon as the ice goes out, in brackish waters at least three to seven feet deep. If it grows, watch for a flight of these birds next season. They can spot it a mile off.

The rock bass deserves to be classified with the South Sea islander. It is an inveterate cannibal. It will often devour its young after being driven away from the nest. The larger rock bass kill and devour their younger brothers and sisters without a qualm. That is why the species is never very numerous.

Anna Steketee and John G. Steketee, both of Gr. Rapids, were made defendants yesterday in a circuit court action for \$15,000 filed by Joseph Hartman as guardian of Robert Hartman, four years old, of Ottawa county. The suit is the result of injuries received by the boy when struck by an automobile driven by Mrs. Steketee and owned by Mrs. Steketee as she had it in reverse Jan. 2, 1925, near Monroe avenue and Michigan street.

Crashing five stories from an unfinished building being erected in Milwaukee with hundreds of pounds of brick falling with him, Walter Brunl came up smiling when workers dug him out. The workers argued long before they induced Brunl to go to a hospital for examination. It was found that he received only a laceration of the head, and he left still smiling.

The condition of R. B. Champion, who was taken ill two weeks ago, continues to improve and he has been receiving calls from many of his friends. That many individuals and organizations thought of Mr. Champion in his illness is shown by the flowers that have been flooding into the Champion home the past week. There were so many of them that the Champion home looks almost like a greenhouse, the flowers having overflowed from the sick room into several of the other rooms of the house.

The state supreme court Saturday affirmed the circuit court verdict of \$5,339.66 awarded the Curtis Tire & Rubber company for a shipment of tires that had been returned by the steamship company for reconditioning at the Curtis plant, and which burned before being reshipped. The Curtis company held the tires had been damaged in transit and had been returned to the factory for repair. The verdict held the tires were still in transit when destroyed.

The University of Michigan this summer will offer courses in athletic coaching and physical education and administration especially arranged for instructors already engaged in the regular coaching and teaching during school terms. Satisfactory completion of the work of one summer term will be credited toward a degree should a student later enroll as a candidate. Last year Coach John Schouten of Hope was a member of the class taught by Coach Yost.

Mrs. Mary Stelle, of Winter Park, Fla., has been engaged by Jesiek Brothers at Jesiek Park to conduct the Lakeside Inn the coming season. Mrs. Stelle will be in full charge, beginning her work here on June 27th when Lakeside Inn will open for the season.

Lakeside Inn was purchased by Jesiek Brothers last fall. During the winter it has been remodeled, a new water system has been installed, a new roof put on, and it has been newly painted and decorated. A number of changes have been made in the building. Lakeside Inn has 27 rooms now and it is getting ready for a busy season.

Hon. G. J. Diekema of Holland, Orris J. Sluiter, county clerk, and Chas. E. Misner, Grand Haven attorney, recently made a visit to Senator Woodbridge N. Ferris in Big Rapids concerning the candidacy of Judge O. S. Cross of the Ottawa-Allegan circuit court, for the United States district judgeship which will be vacant in this district upon the retirement of Judge C. W. Sessions.

Senator Ferris declared himself favorable to the candidacy of Judge O. S. Cross and declared his support in the event of the man whom he recommended for the place not securing the nomination. This means that in case Judge Cross' name comes before the senate for a vote, Senator Ferris will support the Ottawa-Allegan judge.

Miss Ella Slagh, aged 24 years, died at the home of her parents, Mr. and Mrs. Peter Slagh, 224 West 17th street, after a lingering illness. Miss Slagh was a trained nurse, being a graduate from the Hackley Hospital nurses' training school of Muskegon, but she never practiced. At the time of graduation she was already ill so that she could not attend the exercises and she has been in bed for many months.

She is survived by her parents, five brothers and sisters: John, Adrian, Mrs. Jack Vander Hill, Mrs. Russell McFall, and Maxine. The funeral was held Wednesday afternoon at 1:30 at the home and at two o'clock at the Maple Avenue Christian Reformed church.

A farewell party was given at the home of James Van Dyke, Northside, in honor of Mr. and Mrs. Frank J. Robinson who are shortly to take up their residence in Dixon, Illinois.

Mr. Robinson was formerly accountant and resigned to accept a position as auditor for a large concern in Dixon, his home town.

The party was given under the auspices of the Misses Marie Westveer and Irene Hicks and comprised members of the Holland Maid office force who presented Mr. Robinson with a token of remembrance as a memoir from his business associates.

A most enjoyable evening was spent at games, five hundred and other diversions, after which a dainty luncheon was served by the hostesses.

Mr. and Mrs. Collins H. Johnston, of Grand Rapids were at Ottawa Beach over the week-end preparing their summer home for occupancy early in June.

Mr. and Mrs. Fred Z. Pantlind are also coming to Ottawa Beach from time to time for they will occupy their summer home at this resort as soon as school closes. Their two daughters Misses Hilda and Frederica will accompany their parents here as will Mr. Pantlind's mother, Mrs. J. Boyd Pantlind.

Mr. and Mrs. Howard F. Baxter, Mr. and Mrs. Walter D. Idema, both expect to go to their cottages at Ottawa in July. Mr. and Mrs. Lucius

who jointly occupy a cottage at Ottawa Beach will be here within two weeks and remain for the summer.

Mrs. William Calkins and her daughter, Mrs. Anna Raynor of Grand Rapids arrived last Saturday for Macatawa Park, where they have opened their summer home. Mr. and Mrs. A. E. Motley plan to go about the middle of next month to their home "Hill Crest" at Macatawa.

Rev. Arthur Maatman, pastor of the Reformed church at North Holland, delivered an address on Wednesday evening of this week in the Reformed church at Ebenezer. Mr. Maatman's theme will be the Book of Revelation, a book of which he has made a special study. The lecture will begin at eight o'clock and everybody in the community is invited.

Mr. Maatman is very well known in Fillmore township, having taught in the school of district No. 1 of that township for seven years before he entered the ministry. Because of his acquaintance in the community he had a large attendance.

It is doubtful whether during the resort season at least, any other means of transportation is better patronized than the old ferry crossing the Kalamazoo river at Saugatuck, from near the tourist home to the opposite side near the foot of Baldhead. Anyhow, it is certain that no other manager of a transportation system is more popular than Jay Meyers, the venerable ferryman, who for the past 17 years has been in charge of this ferry. Mr. Meyers possesses those qualifications that make a man in such a capacity popular; he is faithful, accommodating, cheerful, diplomatic, agreeable, and somewhat of a story teller. The Kalamazoo river being a navigable river, federal government has control of the navigation and it gives the franchise of managing the ferry to the village council, who, in turn, lets the right of conducting the ferry annually to the lowest bidder or to such person as they may deem most fit and suitable. The fact that Mr. Meyers has secured the contract each year for seventeen years indicates clearly enough the confidence reposed in him by the village.

Mr. and Mrs. Meyers reside in a cozy little home within sight of the ferry and overlooking the Kalamazoo. Mr. Meyers' boyhood home was in the township of Cheesha. At the age of 12 years he began a long period of service in the lumbering industry, working first in the Gilchrist camp near Dunningville. He spent a number of years in the service of the late Robert Moore and went to Louisiana with him, where he rendered invaluable service to Mr. Moore, especially as a timber estimator.

What is Power?

Power is that something which gets things done.

Money is power. It does things. It builds up industry, it develops agriculture, it reclaims waste land. It sends ships across the sea and trains across the continent. It provides comforts and pleasures for people. It makes more money.

Money can do for you all that it has done for others. Deposit part of your income in this bank where it will always be at your command whenever you want it and earning more for you at the same time.

GRAND HAVEN HIGH STUDENT WINS IN DISTRICT CONTEST

Grand Haven high school students took first place in the fourteenth district shorthand and typewriting contest, held at Muskegon Heights high school Saturday afternoon. Muskegon Heights placed second. Seven schools from four counties were represented. Following the competition it was voted to return to Muskegon Heights high school for the contest again next year and Roy A. Peterson, head of the commercial department at the school, was elected chairman for the third consecutive year.

First and second winners will go to the state competition at Kalamazoo Normal school on May 15. Those who placed third will act as alternates if either of the others are unable to compete. Winners are: Event No. 1—beginner typewriting, first, Doris Brower and Manual Huyser, both of Holland; Lucille Hille, Muskegon Heights; Event No. 2—amateur typewriting, Walter Vander Meiden and Ruth Gylleck, both of Grand Haven; Elizabeth Horling of Coopersville; Event No. 3—advanced typewriting, Bertha Schwaas, Muskegon Heights; Rena Haltrop, Grand Haven; Amanda Leifer, Muskegon Heights; Event No. 4—team typewriting, Walter Vander Meiden, Rena Haltrop and Ruth Gylleck, Grand Haven team, first place; Bertha Schwaas, Gertrude Makuran and Amanda Leifer of Muskegon Heights, second place; Theola Mohna, Dorothy Busman and Elizabeth Horling of Coopersville, third place; Event No. 5—novice shorthand, Annette Dirkse, Grand Haven; Sophie Frans, Muskegon; Elizabeth Horling, Coopersville; Eva Hoffman of Muskegon; Event No. 6—100 word dictation, Frances Swarts, Grand Haven; Clara Egner, Muskegon; Walter Vander Meiden of Grand Haven; Event No. 7—120 words, Dorothy Davis, Muskegon Heights; Vertie McCann, Muskegon Heights; Event No. 8—short-hand and transcript, Marian Kruisenga, Grand Haven; Margaret Jurgess, Muskegon.

The contestants from Holland were: First year shorthand—Marie Edging and Viola Klyen. Second year shorthand—Mabel Bauhahn and Helena Van Dyke. Transcribing from shorthand copy—Lucy Van Voorst. First year typing—Doris Brower and Manual Huyser. Second year typing—Adrianna Stokette.

Team—Cornelius Koopman, Marion Lordahl and Dorothy Vander Schel.

The hall of Friday did considerable damage in Hudsonville in the celery district. The loss was not so much to the crop as to the windows of several green houses. One vegetable grower had 150 windows broken and another greenhouse man 56. According to reports, hail as large as small eggs came down.

RETURN FROM TRIP AROUND THE WORLD

Dr. and Mrs. D. T. Vail, of Waukegan and Cincinnati, and their son and his wife have returned to America after a trip around the world that took up several months. Dr. Vail was invited to conduct a clinic in India and he took advantage of the opportunity to make a world tour.

"We had a wonderful trip around the world," Dr. Vail writes to a friend here. "We returned well, and are happy to be back home among people living in the present and not like our progenitors 1,000 years ago, people with normal brains and responding to normal stimuli."

BABY CHICKS

No worry when you buy SAIER'S PURE BRED BABY CHICKS. By hatching over 50,000 per week we have learned by experience how GOOD CHICKS are produced and hatched.

FREE POULTRY BOOK

To help you to better success with your poultry we issue a 32-page monthly poultry and garden magazine that will answer your many questions. Free copies will be mailed to you with baby chick prices, if you will write today. (Mention this paper.) A postal card will do.

SHE IS GREAT GRAND- MOTHER AT EIGHTEEN

A great grandmother at 18. Mrs. David Michael, of Muskegon Heights, hold this distinction. It was discovered today.

The recent arrival of a son, Theos. Jr., to Mr. and Mrs. Theos Shaw, makes Mrs. Michael a great-grandparent while still in her teens. The explanation follows.

The baby's mother, Mrs. Theos Shaw, aged 17, is the daughter of Mrs. Bert Field, aged 37. David Michael, aged 58, great-grandparent of the baby, is Mrs. Field's step-father and naturally his wife is her step-mother.

After Mrs. Field's mother died, her step-father re-married, which makes Mrs. Michael a great-grandparent.

In reality, neither of the great grandparents are related to the baby.

DR. A. VENNEMA PASSES AWAY IN NEW JERSEY

A telegram arrived in Holland on Sunday afternoon announcing the death Sunday morning of Dr. A. Vennema, former president of Hope College. The message was brief, merely announcing the death of Dr. Vennema, and the time and place of the funeral, which took place on Wednesday of this week at the Reformed church in Passaic, N. J., of which Dr. Dawson is the pastor.

Dr. Vennema was born in Holland on May 25, 1858, the son of the late Mr. and Mrs. A. Vennema, well known among the early residents of this city. He was educated in the grammar schools of this city and later attended the preparatory department and the college department of Hope college, graduating from the latter in 1879. The class to which he belonged was composed of the following: Dirk J. De Bee, Elias Despelder, Kumaie Kimura, George Niemeyer, Mottolero Oghimi, and Mr. Vennema.

After graduating from Hope College he went east and attended the New Brunswick Theological Seminary, from which he graduated in 1882. Among the important charges he occupied in the Reformed church were the Second Reformed church in Kalamazoo, the Port Jervis church in New Jersey, and one of the largest of the Reformed churches in Passaic, N. Y. He built the second Reformed church in Kalamazoo and also the church in

Passaic, which is said to be the most beautiful of the Reformed churches in America. Since retiring from the presidency of Hope College he occupied many pulpits in the east as a supply pastor.

He was elected president of Hope College in 1911 when the late Dr. G. J. Kollen retired from that office and he was at the head of the local institution until 1918 when ill health caused him to retire. Dr. Vennema was already in poor health when he came to Hope and his disease progressed during his stay here. In 1919 he was elected president emeritus of Hope college.

Dr. Vennema occupied many positions of trust and importance in the Reformed church. He was at one time president of the synod of the Reformed church and he was for many years a member of the Hope College Council. He always showed a deep interest in Hope and at the time of the school's semi-centennial, while he was president, he completed a half million dollar endowment for the institution.

In addition to being a forceful preacher and a very capable executive Dr. Vennema was a pastor who won popularity wherever he was stationed by the sweetness of his nature and his kindly and helpful spirit. During his seven years' residence in Holland as president of Hope College he won the respect and love of the community and during his infrequent visits to Holland since his retirement he always found hosts of friends to greet him.

He is survived by his wife, two daughters, Mrs. Mercale of New York, and Florence of Passaic, N. J., and one son; also by three brothers, one of them John Vennema of Chicago, Netherlands consul, and two brothers living in Menominee, Mich.

DUAL TRACK MEET WON BY HOLLAND

Holland high's track team went over to Grand Haven Saturday afternoon and demonstrated its superiority over the Havenites by scoring 79 points while Cohrs' track work is new at both schools the meet was highly interesting and some good time was made.

Hartman's proteges took nine firsts. Meyers, Exo and Breen each being returned winner on two different occasions.

Sluka and Roseene did the best scoring for the county seat lads, the latter coping first place in both the 880 yard and mile run.

Some members of the local team will be sent to the Kalamazoo Normal tract meet to be held during May at Kalamazoo. Points Saturday were awarded as follows: winner 5; second place 3; third place 1.

100 yd. Dash—winner, Meyers, Holland; second, Breen, Holland; third, Johannes, Gr. Haven; Time—10 3-5 sec.

220 yd. Dash—winner, Meyers, Holland; second, Schoop, Holland; third, Spies, Grand Haven; Time—25 2-5 sec.

440 yd. Run—winner, Sluka, Grand Haven; second, Garretson, Holland; third, Mahon, Grand Haven; Time—1 minute.

880 yd. Run—winner, Roseene, Grand Haven; second, Sierma, Holland; third, Sluka, Grand Haven; Time—2 min. 31 sec.

1 mile Run—winner, Roseene, Grand Haven; second, Mersman, Holland; third, Kolean, Holland; Time—5 min. 26 sec.

Relay 1/4 mile—won by Holland team: 1, Breen; 2, Tyse; 3, Garretson; 4, Meyers; Time—1 min. 50 sec.

50 High Hurdles—winner, Meengs, Holland; second, Johnson, Grand Haven; third, Van Zylten, Grand Haven; Time—20 3-5 sec.

220 Low Hurdles—winner, Breen, Holland; second, Martin, Holland; third, Meengs, Holland; Time—30 sec.

Shot Put—winner, Exo, Holland; second, Batts, Grand Haven; third, Souter, Holland; Distance 35 ft 3 inches.

Javelin—winner, Robinson, Grand Haven; second, Van Duren, Holland; third, Exo, Holland; Distance 136 ft 5 inches.

High Jump—Tie for first, Meengs, Holland; De Boer, Grand Haven; 3rd place, Voshel, Grand Haven; Height, 5 ft 2 inches.

Broad Jump—winner, Souter, Holland; second, Tyse, Holland; third, Sluka, Grand Haven; Distance 17 ft 6 1/2 inches.

Discuss Throw—winner, Exo, Holland; second, H. Dirkse, Grand Haven; third, Kolean, Holland; Distance—36 ft. 6 inches.

Pole Vault—winner, Souter, Holland; second, P. Dirkse, Grand Haven; third, Tyse, Holland; Height—8 ft 6 inches.

BETTER WATCH YOUR SPEEDOMETER ANYWAY

Although the Ottawa county board of supervisors has turned down sheriff Fred Kamferbeck's recommendation that a special motorcycle be allowed him for use on M-11 and county highways during the summer, he is planning to use his present force of deputies in watching speeders and curbing other traffic violations.

Holland City News

Entered as Secondclass Matter at the Postoffice at Holland, Michigan, under the Act of Congress, March 1897. Terms \$1.50 per year with a discount of 50c to those paying in advance. Rates of Advertising made known upon application.

LOCAL

The Holland Maid Co. Thursday shipped a carload of Holland Maid Electric Washers to their Topeka, Kansas, branch store No. 121. This is the first full carload shipment of washers to leave the local plant.

Emil Hansen of Grand Haven reports the theft of a bicycle from in front of his barber shop in the downtown district. Mr. Hansen always leaves his wheel outside the shop. Last Thursday night a thief took it and the proprietor did not notice his loss until he started for home about 8:30. The machine was a World and was in the best of shape. Mr. Hansen seems to be marked by bicycle thieves for two years ago in April two good wheels were stolen from the porch of his home on Lafayette st., Grand Haven.

Julius, youngest son of Andrew Lamer, residing at Zeeland, while riding a bicycle in company with his brother, fell to the ground dislocating his right wrist in two places.

The Normal class of the Sixth Reformed church motored to the home of Miss Marie Dekker at Pine Creek where they spent a very enjoyable evening.

Mrs. John Verhoef, 32, died Wednesday night at her home at 19 W. 25th street after a lingering illness. She is survived by her husband and four children: Margaret, Gerald, Lois, and Julia. The funeral was held Monday afternoon at 1:30 at the home and at 2 o'clock at the Prospect Park Christian Reformed church, Rev. J. C. Schaap officiating. Interment was in the Graceland cemetery.

The students are naturally proud of their team and have backed the boys up to the fullest extent. The team has not been sent out to run up a large score and the subs. have been used a great deal during the past season. Although the five regulars graduate and will be missing in the 1925-26 lineup, the experience of the subs insures a strong team for Hope next year. Leon Kleis, sub-forward, has distinguished himself by being high point getter. He garnered 63 points, 50 of them by field goals.

The flag station which has sheltered the flagman on the Eighth-st. railroad for nearly half a century was moved to Waverly on Monday. Herman Bos, who has occupied the shanty for 34 years, has been transferred to the Eleventh-st. crossing. Bos was crippled in an accident on the railroad in 1891. He has been in the road's employ for nearly 54 years.

County School Commissioner Groenewoud of Holland has called for a regular teachers' examination to be held in the high school at Grand Haven on April 30 and May 1 and 2. A special examination was held at the Grand Haven court house Wednesday for those whose religious convictions preventing them writing on Saturday. The examiners, besides Mr. Groenewoud, are D. VandeBunte and W. A. Conrad.

Paul Brand, 504 Clay ave., W. Muskegon, reported to police that \$111 had been taken from his vest while he slept in a room at his home.

The election held in Fennville Monday for the purpose of granting a franchise to the West Michigan Electric Co. for the use of streets, etc., of Fennville for poles, transformers and other equipment, was carried unanimously. This is the first election in the memory of the citizens that a unanimous ballot was given. This concludes the franchise to be granted for this company, assuring them of rights to bring high tension wires into Fennville. Construction work will be started at once.

The Woman's Auxiliary of the F. O. E. which has been recently organized for the purpose of furthering the interests of the fraternity, met last Wednesday night and decided to hold the charter open until Wednesday, April 29. All Eagles' wives who are desirous of becoming charter members will kindly attend. The following officers have been elected for the ensuing year: President, Ruth Buurma; vice president, Estelle Brown, recording secretary, Mae Buzzell; financial secretary, Matilda Seekamp; treasurer, Clara Eisebagger; chaplain, Frieda Hertz; conductor, Anna Rose; assistant conductor, Katherine Cunningham; inside guard, Ruby Dising; outside guard, Mary Kester; right support to president, Emma Witt; left support to president, Louise Ingram; right support to vice president, Lillian Willis; left support to vice president, Dena St. Clair; flag bearer, Minnie Sargeant; musician, Anna Zietlow.

Mr. Hilbert Gelderloo, aged 52 years, died Monday evening. He is survived by his wife, two children, Harold and Alfred, three sisters, Mrs. Henry Ten Brink, Mrs. Jacob Hoeksema, and Mrs. Peter Hoeksema. The funeral was held Thursday afternoon at 1:30 at the home and at two o'clock at the Pearlina Christian Reformed church, one mile east of Alendale Center.

Miss Ethel Dykstra has returned home after attending a big national convention of the Camp Fire Girls at Chicago. Before attending the convention she spent some time at the home of Rev. and Mrs. R. A. Eusden at Lawrence, Kansas.

The home of J. De Boe, sr., at Holland, was the scene of a double wedding last Thursday night in which two stepdaughters were brides. Rev. H. Keegstra performed the double ceremony and the couples were Miss Gertrude De Boe and Joseph Nyhof, and Miss Agnes De Bree and John Postma.

The farm home of William Stella, local fruit merchant, located on the Saugatuck road near Gibson, was burglarized and a great deal of loot taken. At the Stella home the best mattresses were taken from the beds, windows were stripped of curtains, two sewing machines, a box of new children's clothes, several umbrellas and other goods were taken. Stella lives on the farm only in the summer time, so the burglars had free access of the place.

There will be a rummage sale in the Guild Hall of the Grace Episcopal church on Friday and Saturday, May 1st and 2nd. All are welcome.

Mrs. Anna Jordan, aged 71, died at the home of her sister, Mrs. Mary Hancock, at West Olive, this morning. The funeral arrangements have not yet been made.

A cablegram from Kodak Kanak, India, announces the birth of a son to Mrs. Sara W. Zwemer.

Born to Mr. and Mrs. John Vander Wege, 36 West 15th St., an eight pound boy, Elmer James.

Born to Mr. and Mrs. Wm. J. Brouwer, 41 East 14th street, a girl, Myra Jean.

The Hope College Girls' Glee club will sing at the Sixth Reformed church next Sunday evening. This club recently won the state musical contest held in Kalamazoo.

The Goodrich Transit Company changed their boat schedule on April 26th when the city of Chicago inaugurated daylight saving time. The boats now leave on fast time.

The Allen Tot and Gift shop is moving in the new store in the Warm Friend Tavern and will be open for business Thursday. The formal opening will be Saturday, May 2nd.

Monday night a heavy white frost covered the roofs and the thermometer at the water works registered 32 degrees. Low lands were also covered with frost Tuesday morning, although no serious damage has been reported.

Dr. Edward D. Dimmett, president of Hope college, left Monday for Passaic, N. J., to attend funeral services for Rev. Amie Vennema. The flag on Hope's campus has been placed at half staff in honor of Dr. Vennema.

Mr. and Mrs. B. Koster attended a two-day annual convention for assistant managers of the Fuller Brush Co., at Detroit, April 24-25 at which Mr. A. C. Fuller was present, ending with a banquet.

Although Mrs. J. C. Post and Miss Katherine Post spent the winter in Akron, Ohio, to attend funeral services for Rev. John Post, as reported Monday, it was not with "Mr. and Mrs." John Post, the "Mrs." part being somewhat premature.

The East End Giants defeated the East 16th Stars by a score of 17 to 13 in an exciting game. Lee Koopman was the star of the game, making three home runs. Batteries: Stars, Tyssie, Fairbanks and Anus; Giants, Van Zanten, Bos and Kamphouse.

Con De Pree of the De Pree Co., has returned from an extended western trip including Portland, Ore., and San Francisco. The local company owns a large warehouse in California and the retailers in the west are thus supplied quickly from an ample supply always found on hand at the San Francisco branch.

Holland chick shipment records for the season were broken Monday when close to 100,000 were shipped via parcel post from the Holland postoffice. The chicks were shipped from 48 hatcheries operating in Holland and vicinity to all parts of the United States and several points in Canada.

Peter Volkema, city employe of Grand Haven for many years, recently celebrated his eighteenth birthday by working.

An Allegan farmer reports that he was robbed of \$12,500 while sleeping in his car in a tourist camp, and his plan for filling his gasoline tank the next day had to be given up.

Allegan defeated the Central high school baseball team of Kalamazoo at Allegan Saturday afternoon by the score of 14 to 3. Allegan gave Pitcher Gibson excellent support and for five innings they were held hitless and scoreless.

Palmer awards for pennmanship received in the Holland Junior High school recently are: High School diploma, Benjamin Merzman, Josephine Hulst and Russell Newhouse; student's final, Hester De Weerd.

Mrs. Louise Stegeman, Mr. and Mrs. John Stegeman and daughter Louise, Mr. and Mrs. Charles Stegeman and son Andrew, and Dr. and Mrs. Frank Stegeman, all of Allegan, were the guests of Mr. and Mrs. Albert Diekema on Sunday.

Another Thomas store has come to Holland and is located at the corner of Twelfth street and First Avenue. This is the second grocery C. Thomas has brought to this city, the other being located directly east of the Strand Theatre.

The Hope Church Aid society, under the direction of Mrs. A. Koppel and committee, will give a benefit entertainment at the W. L. C. hall April 29 and 30. Two one-act plays will be given—"Trusting Place," by Booth Tarkington, and "Two Pairs of Spectacles."

In awarding the \$10.00 in gold for the most suitable name for John Arendshorst's Lake Michigan resort some confusion arose as to whom the prize was really awarded. In the list there was an Eagle Crest Park and an Eagle Crest Beach. In publishing the item the name Eagle Crest was only given and not the last part of the name. The name selected was Eagle Crest Park submitted by Clarence De Graaf, 410 Maple Ave., as stated before.

Peter De Feyter of Holland, 83, one of the three surviving veterans of Co. I, 25th Michigan Infantry, probably is one of Holland's healthiest octogenarians. Although troubled with rheumatism at times, he asserts that he has never experienced a sick day and defective hearing is his only real impediment. During his three years' service in the Civil war he says he never missed a roll call. DeFeyter's father who died at the age of 91 years, likewise never saw a sick day until death summoned him.

A double electric fire alarm siren has been installed at the Allegan fire department. It is claimed to be capable of producing a sound that can be heard for a distance of 12 miles.

The East End Giants, a local indoor baseball team, are looking for games with any other team under 14 years of age. Apply to John Koopman, 84 East 18th st., for arrangements.

The Great Lakes vessels may be compelled to carry lighter cargoes for the early part of the 1925 navigation season at least, because of lower water levels. Cargoes, it is said, are expected to be one thirty-eighth less than last year because the 800 locks are six inches below the 1924 stage.

A piece of machinery received by the Challenge Machinery Co. at Grand Haven not long ago from a point in China was packed and boxed in valuable wood from what is known as the sacred tree of China. This wood is almost as valuable as mahogany.—Grand Haven Tribune.

Look!—We still have on hand 20 packages of Gladiolus bulbs, 15 bulbs in a package at 35 cents. Mixed colors.

Only one dozen packages, 20 bulbs in a package of named varieties at \$2.00, mixed colors.

Call early before this small stock is depleted.

Planting information chart given free with every purchase.

MISS RUTH MULDER

79 W. 15th st. Phone 5231

Opposite the High School

Adv.

Deputy state game warden Frank Salisbury of Ottawa county expects the state fish hatchery truck in this vicinity from the Paris hatcheries Saturday with 50,000 German Brown trout for planting in Pigeon River. These brown trout are quite prolific and it is expected that Pigeon River within a few years will furnish the finest kind of fishing sport.

Russel Boylink, aged 16, of Grand Haven, was arrested by the Grand Haven police charged with the unlawful taking of an automobile owned by Harry Taylor of that city. The car, a Studebaker Light six, was reported taken from Mr. Taylor's garage. Police recovered the car about Friday morning. No action has been taken as yet.

The new stamp issues that went on sale at the Holland postoffice April 15th are: the ½-cent, 1½-cent, for use on circular matter; the 15-cent and 20-cent special delivery; the 25-cent special handling stamp, and the Lexington-Concord issue of 1, 2, and 5-cent denominations. On May 1st the Norse-American issue of 2 and 5-cent stamps will be put on sale.

Arbor day will be celebrated in a fitting manner at Hope College. A fine program is being arranged for the exercises to be held in Winants chapel. Trees will be planted by the Senior class and the graduates from the preparatory department will also do some planting of trees and shrubbery. There are 95 members in the class graduating from the college.

Mrs. John De Swaan, aged 41, died at her home near Hamilton. The funeral was held Friday in the First Ref. Church at Hamilton.

The winner of the music memory contest was Anna Marie Buurma (not Buurma). Miss Buurma is a pupil in the sixth grade of the Lincoln school.

Mrs. J. Vander West, 95 E. 21st St. has gone to Mayo's Hospital where she will undergo a difficult operation. Mr. Ed VanderWest, a son, and Mrs. J. Diekema, a daughter, accompanied the mother to Rochester.

Hope's prize orators, Miss Van Vessum and Mr. Weesink, delivered their orations in Hope church Sunday night. The Girls' Glee Club that won the recent state contest will sing two numbers.

Robbers entered the Belvidere home on the Saugatuck road and stripped the place of its beautiful rugs, some of them costing \$500. A large amount of furniture was also carried away.

The Holland Vulcanizing company has put up a large electric sign reading, "Goodyear Tires" at its store on River avenue.

Austin Harrington, chairman of the Ottawa County road commission, is making a tour of all Ottawa county roads.

Prof. S. C. Nettinga of Western Theological seminary conducted the morning and evening services at Eighth Reformed church at Grand Rapids and the afternoon Holland services at Third church Sunday of that place.

Superintendent E. E. Fell has just returned from an extended trip through the northern peninsula, taken in behalf of the Michigan State Teachers' Association. Besides visiting many elementary and high schools, Mr. Fell also took notice of the industries and mining.

John Fisher of New Richmond appeared before Justice Fish, Allegan, claiming Paul Gamby had thrust a pitchfork through his hand in an endeavor to stab him in the stomach. Paul answered to a charge of assault with intent to do great bodily harm and will have an examination next week.

A conference of cow testers and county agricultural agents of Kent, Ottawa, Allegan and adjoining counties will be held in the Association of Commerce building Grand Rapids on May 6. A. C. Baltzer, director of cow testing work at the Michigan Agricultural college, and Robert H. Addy, dairy extension specialist, will advise them on production problems.

Rev. Grover A. Jackson of Grand Rapids delivered an address on "The Various Types of Criminal Life" at the annual banquet of the Young Men's Bible class of Third Reformed church Friday evening. Prof. W. Wichers of Hope college officiated as toastmaster and covers were laid for about 150. Music was furnished by Central Park orchestra.

Daylight saving time, with its extra hour of sunshine for Chicago, was made effective Sunday. Last minute efforts of a group of aldermen to repeal or amend the ordinance failed signally, the proponents themselves conceding defeat on the city council floor at a special meeting held Saturday morning. No doubt the change will have some bearing on the running time of boats in and out of Chicago harbor.

The water in Lake Michigan and lakes emptying into it has risen two or three inches during the past few days, due to spring rains. It will have to rise several more inches before it has reached last year's level, however.

President Coolidge has accepted an invitation to speak at the final session of the national oratorical contests to be held at Washington, May 28. This is the third time Mr. Coolidge has attended this annual contest final.

Born to Mr. and Mrs. H. J. Knoll, a 10½ lb. girl, Phyllis Arlene.

The students of Holland high have been studying for a Bible memory contest which will take place in May. The prize to be awarded is a beautiful Bible with the winner's name embossed on it in gold.

Judson F. Freyer, aged 72, died Tuesday at Douglas. The funeral will be held Thursday afternoon at two o'clock at the Congregational church, Prof. E. Winter officiating.

Ninth Street Christian Reformed church has extended a call to Rev. J. De Haan, Jr., of Lamont to succeed Rev. J. M. Ghyssels now in Grand Rapids.

Both fire departments were called out at 3:15 Tuesday afternoon by an alarm of fire turned in from box 54. The blaze was found in a roof at 113 E. 23rd street, the home of Gerrit Roelofs.

The referendum vote held by the Allegan city schools, tabulated Tuesday, showed that out of 468 heads of families who voted 357 were in favor of the adoption of eastern time for the remainder of the school year.

Charles A. Dalley, for many years hotel keeper at New Richmond, died Tuesday at the age of 73. He is survived by his wife. The funeral will be held Thursday at two o'clock at the hotel.

George F. Churchill left for Cincinnati, Ohio, today, where he has a position waiting for him at the Peerless Foundry Co.

Senator V. A. Martin of Ottawa and Muskegon counties has presented a real good bill and it passed the house Tuesday. The measure provides that all vehicles, including buggies and wagons, must be equipped with lights on all roads.

Holland baseball fans received with great satisfaction the report that Jimmy Poppen, one of the staff of twirlers for the Baltimore Orioles, pitched his first game to an 11 to 1 victory over Syracuse. Poppen allowed Syracuse five scattered hits.

Sheriff Ben Lugten of Allegan county has employed Nathaniel Jackson as speed cop to patrol the trunk lines and county roads of the county to gather in speed violators. A very fast motorcycle will be placed in commission the latter part of this week, the sheriff says.

Henry Oosting of Hope College will go to M. A. C. next year as half time assistant in botany, getting an \$800 award. Mr. Oosting has done special work in botany at Hope, and plans to continue in this line under Dr. E. A. Bessey, an M. A. C. teacher who has published several text books in botany.

George Van Hall of Grand Haven pleaded guilty to a charge of driving while intoxicated and was fined \$100 and costs in Justice Lillie's court. Leo Woods of Flint, arrested some time ago on the same charge, stood jury trial Tuesday before Justice Lillie and was found guilty, paying a fine of \$100 and costs of \$10.25.

Preparations for Memorial day at Grand Haven already are under way. Weatherwax post of the Grand Army of the Republic there having accepted the invitation of Rev. Walter S. Bloom to attend Second Reformed church services on Sunday, May 24. Spanish-American and World War veterans with the Grand Haven military company will form the escort of the Civil war veterans.

The Woman's Foreign Missionary society of the M. E. church will meet on Thursday afternoon at the home of Mrs. Ray Nies, 577 Michigan Ave.

The meeting will be a reception for the three returned missionaries, Miss Mildred Drescher and Mrs. Mabel Fisher of India, and Mrs. Stella Girard Veenschooten of China. Autos will leave at 2:30 from three points: Mrs. King's, 13 East 9th st., Mr. Harrington's, and the church. All are cordially invited.

United States Marshal Martin Brown and three deputy marshals Tuesday were engaged in serving 33 subpoenas on furniture manufacturers in the western federal district of Michigan, commanding them to appear before the grand jury in Chicago May 6 and 11, as the subpoena dated, to give testimony in the government investigation into alleged price fixing. The subpoenas received there were for manufacturers in Grand Rapids, Allegan, Zeeland, Holland, Manistee, Big Rapids and Sturgis.

A missionary meeting will be held at the Fourth Reformed church on Thursday evening at 7:30 o'clock, when a miscellaneous program will be given consisting of music and speaking. Rev. F. J. Heemstra, the pastor, will give a talk on California, which state he visited some time ago. A collection will be taken for the benefit of a bed in an Arabian hospital. All are invited.

Circuit Judge Major L. Dunham in Kent county, Tuesday granted an extension until May 11 of the period in which Rev. Herman Hoeksema, deposed pastor of the Eastern Ave. Christian Reformed church, and his consistory may complete an appeal from the decision awarding possession of the church property to the new consistory.

A company of about 25 friends staged a surprise Tuesday evening in honor of Mrs. Bert Slagh on the occasion of her birthday. They presented her with a beautiful bouquet, the presentation being made by H. P. Zwemer who recalled childhood days in Saugatuck when he and Mrs. Slagh were both children there. The guests brought refreshments and the evening was spent in discussing current events.

Mr. Fred Yonkman of the Senior class at Hope College has been notified that his appointment as assistant in biology has been confirmed by the prudential committee of the Corporation of Yale University. The salary includes \$600 and exemption from tuition and laboratory fees.

Fifteen persons were arraigned on liquor charges before Judge John Vanderwerp at Muskegon Tuesday. They were Daniel, Howard and Raymond Britt, who entered pleas of not guilty; Hazel and Ed Perkins, who pleaded guilty; Edward Eklund, D. Ellis, Harry Felner and George Clark who pleaded not guilty; Ed White Adam, Kalmowski, Antonia Kielbas and Kathryn Buczik, entered pleas of guilty and Fred Jones, who stood mute. The sheriff's force made the arrests.

Under the auspices of the Young Men's Society Alliance of Holland a musical program will be given Thursday evening in the Ninth Street Christian Reformed church. The meeting will begin at 7:30 and the public is cordially invited. There will be many musical numbers and also others features that promise to make the program an interesting one.

Roy Hansen, 22, of Muskegon, pleaded guilty to a charge of jumping a \$60 board bill when arraigned before Justice Jerome E. Turner today. He was assessed \$100 and \$3 costs or required to spend 90 days in the county jail. Justice Turner said Hansen was wanted in Grand Rapids for parole violation. He said Hansen admitted having been found guilty of grand larceny.

George Fox, of Mt. Clemens, died at the home of his aunt, Mrs. R. Brown, Wednesday morning of peritonitis. Mr. Fox was a patient at the Burleson Sanitarium, Grand Rapids, and came to Holland to spend the week end with Mr. and Mrs. Brown and family, where he was arrested.

Fennville high school will graduate 27 students this year. This ties the largest class that has been graduated up to this time, the same number having graduated two years ago.

This class this year is as follows: Charles Luplow, Edith Foadick, Walter Wadsworth, Eada Scarlett, Hobart Van Biola, Gertrude Duell, Willis Kluck, Alice Pitts, James Vande Vusse, Jennie Bast, Frank Collins, Beatrice Wark, Ralph Goodwine, Alice Watts, Marion Jorgenson, Lois Galbreath, Cecil Holton, Martha Russell, George Smeed, Mildred Mosier, Albert Koning, Katherine Barron, Lucille Sloan, Earl Billings, Agnes Pitts, James Van Hartesveld and Mildred Balbreath.

Spt. E. E. Fell has been called to Ithaca, Michigan, on account of the death of his sister.

The Parting of the Ways

FOR a young man who starts out in life there is no middle ground for thrift. There is no side-path that he can take or a short-cut to success without effort. He comes to the crossroads where the sign-board of success and failure is plainly indicated.

Which is the road to Failure?

Spending a little more than you are earning. Not keeping a checking account of your expenses, which can be readily done via the check-book system.

Investing your money in "Wild-Cat Fly-by-Night" schemes.

Which is the Road to Success? Spending less than you are earning. Keeping a checking account at some well regulated bank, where you are constantly in touch with your bank balance.

Being cautious in making investments; asking the advice of your banker or some trustworthy man of affairs.

Homes to Live In---Always

The Longer we live in homes, the more we become attached to them, and so how unwise it would be not to make improvements that are permanent.

How easy it is to make one's home cozier and more attractive all the time, Everyone has friends who do that, and what good folks say they are!

When putting in a heating system, one's mind naturally turns to the HOLLAND FURNACE—The HEART of the HOME.

A few of the reasons are:

1. The Easy Shaking Grate.
2. The Strong Guarantee.
3. Fuel Saving Features.
4. Largest Number of Satisfied Users.

HOLLAND FURNACES MAKE "WARM FRIENDS."

HOLLAND FURNACE CO., General Offices -- Holland Mich. 384 Branches in Central States.

LARGEST INSTALLERS OF FURNACES IN THE WORLD

WOLDRING WINS TAN SHOE PRIZE AT SHOOT SATURDAY

Quite a large crowd was present at the Saturday afternoon shoot with the members of the Holland Gun Club on their range at the fair grounds. Bill Woldring is now parading around with a nifty pair of tan oxfords as a prize given by the Holland Shoe Co. for the highest score made.

Another shoot will be given on Tuesday, May 5, at 6 o'clock P. M.

There were 25 contestants and Mr. Woldring, who scored the highest, brought down 24 out of 25 birds thrown. The score follows: Vance Mape, 20; Al Rigerink, 23; Sam Alt-huis, 23; Dick Van Tatenhove, 16; Ed Woldring, 11; Bill Woldring, 24; Oscar Peterson, 18; "Dixie" Hyma, 13; G. Van Dyke, 18; F. Woldring, 16; Nick De Waard, 23; Dick De Waard, 16; Homer Ten Cate, 5.

The George E. Kollen public speaking contest, which was held Wednesday, Thursday and Friday mornings of this week, was a very decided success. The twenty-four speakers gave five minute speeches showing their real and enthusiastic interest for a variety of subjects, such as "The Commission Form of Government," "Child Labor," "Preservation of Forests," "Opium," "Y. M. C. A. for Holland," "Birds," "Aim in Life," "Consolidated Schools for Rural Community," "Books," "Character," "Preservation of Wild Life," "American Ideals," etc. Eleven girls and thirteen boys participated.

The first place, a prize of \$15.00, was won by Jake Pelton; 2nd place, \$10.00, by Maurice Marcus.

The judges were Miss Mulder, Miss Ross, Miss Geiger, Miss Wickes and Mr. Hinga. The prizes will be presented on commencement evening. The high school speech department is indebted to Mrs. George E. Kollen for making this contest possible.

Honorable mention was given to Richard Dekker, Ethel Heneveld, Harold Jappinga, and Laverne Sandy. The subject of Mr. Pelton's winning address was "Aim in Life," and the winner of the second prize, Maurice Marcus, was "Dreams."

Leading astronomers claim we are going to have a hot summer this year. The Goodrich Transit company is getting many inquiries for information as to cottages for rent by month or season. Cottages must be on or near either shore of Black Lake or on Lake Michigan.

The Goodrich Transit company is going to put forth every effort to fill up every vacant cottage in this vicinity, with people from Chicago, Joliet, St. Louis, etc. Owners and agents of such property desiring to rent same, kindly send lists showing location, description, rental, etc., to J. A. Johnson, Goodrich Co., this city.

Ottawa county Holstein breeders who have recently reserved prefix names with The Holstein-Friesian Association of America for their exclusive use are John Oosterink of Jenison, who is using the name "Cream-top" in the names of animals in his herd; and Isaac J. Wolbrink of Zeeland, who has chosen "Sweetwater" for the same purpose.

Nearly 6,000 American Holstein breeders have adopted prefix names and are using them to advantage in naming their cattle. They give the breeders the use of all names in new combinations, make the selection of names less difficult and once they become well known serve as distinguishing and valuable trade marks for the owners.

Friday night at 7:30 o'clock the new pastor of the Seventh Reformed church, Rev. P. Van Eerden of Muskegon, will be installed. The installation services will be in charge of Rev. James Wayer of the First Reformed church, Rev. C. P. Dame of Trinity church, Rev. M. Duven of the Vriesland Reformed church, and Rev. G. Tyse of Holland. The public is invited.

Rev. Mr. Van Eerden will preach his inaugural sermon Sunday morning in the Holland language.

Western Michigan eventually may rival New Jersey in the growing of blueberries, according to Carl H. Knopf Muskegon Co. farm agent, if an experiment to be started today is a success.

Rochdale Inn, in Blue Lake township, will be the scene today of the first planting of blueberries, imported from New Jersey. The plants have been brought there by the Fruitvale Resort company, which is distributing them at cost to growers.

The experiment will be carefully watched, and it is possible that the growing of blueberries will become extensive in certain sections of Muskegon county.

The news has just become public that Maurice Hanna, of the Strand Theatre, and Miss Constance West of Sanborn, Wis., for the past year manager of the Western Union Telegraph office in Holland, were quietly married in Grand Haven last Saturday. The couple went to the parsonage of the Presbyterian church where the ceremony was performed by the pastor, Rev. James J. De Kraker, at nine o'clock Saturday forenoon. Both the bride and groom have a wide circle of friends. Mr. Hanna having been connected with the Strand Theatre for the past four years and the bride having won many friends during her year's residence in this city.

The couple will be at home to their friends in the Rutgers flat.

The Senior class of Hope college presents the members of their basketball team with gold medals because of the fine work shown during the past season and because they were champions of the interclass tournament for four years. A party was first considered but because of too many social activities medals were deemed more desirable. The medals are very neat and are made to be worn on watch chains. After Arbor Day John Forsten, Henry Oosting, Gerrit Heemstra, Raymond Kuiper, and Russell Pleune, with possibly a few others, will be wearing the medals.

In addition the Athletic Association presents the class with a silver cup to be put on display in Voorhes Hall. Upon this cup the names of the players will be engraved. Henry Oosting, John Forsten, and Gerrit Heemstra have played with the team for four years; Raymond Kuiper served two years, and Russell Pleune one. Kuiper and Pleune have been members of the Hope reserve squad, the former two years and the latter three.

MANY ORATORS ARE BEING DEVEL- OPED AT HOPE

That considerable interest is being shown at Hope college in the Adelaide and Raven oratorical contests to be held May 8th and May 9th in Winants Chapel is demonstrated by the number of contestants entering from all the classes. Several elimination contests will be held soon as each class is far exceeding its quota of the number of participants allowed. It is 8 Juniors, 10 Sophomores, and 8 Freshmen are entering the Raven elimination contests; and 4 Juniors, 4 Sophomores, and 3 Freshmen are trying out for the Adelaide contest. These elimination contests are destined to create not a little excitement as the students are anxious to see the oratorical ability of their classmates.

The list of those who are planning to enter is as follows: Juniors: John Henry Albers, Stanley Albers, Norman Vander Hart, Fred Olet, Geo. Stokette, Barnard Luben, Timothy Cramer, and Alonzo Wierenga, the Raven contest; Lois Brockmeier, Leta Sittes, Dena Nettinga, and Harriet Vander Bush, the Adelaide contest. Sophomores: Sandrene Schutt, Harriet Heneveld, Alice Ithman, and Gladys Kleinhekel, the Adelaide contest; and the Raven: Henry Burggraaf, Henry Bovenkerk, Jacob Kik, Russell Damstra, Jay Wabeke, Matthew Peelen, William Peelen, William Buitendijk, Thomas Ten Hoeve, and Warren Fredericks. Freshmen: Alice Van Hatten, Hazen Albers, and Agnes Tyse the Adelaide contest; Oscar Holkeboer, William De Haan, John Mulder, Lester De Young, Peter De Ruiters, William Verhage, Justin Vander Kolk, and Lambert Olgers, the Raven contest.

A second meeting of the cottage owners of Macatawa Park who live in this section was scheduled to be held in Gr. Rapids Tuesday. A meeting was held immediately after the fire at which several cottage owners living in Grand Rapids and other western Michigan cities were present and at which preliminary plans for the rebuilding of the devastated section were discussed.

At Tuesday's meeting, according to one of the cottage owners, a plan was to be discussed to secure access by fire truck to the lake front. As things are now, the big truck from Holland cannot get to the water, the only place where it can do much good. Some cottage owners are in favor of building a drive that will make it possible for the truck to get to the shore of lake Michigan so that it can play a stream of water on any burning cottage along the lake front and for some distance to the interior of the resort.

This is said to be the plan for at least temporary fire protection that many of the cottage owners favor. It will not be an adequate or a permanent solution of the fire problem at Macatawa but it will help a great deal and will make the cottage owners feel much safer than they do now.

The meetings that are now being held are only of a tentative nature as the large majority of the members of the cottage owners' association live too far away to come to the meetings. But it is planned to hold a general meeting of the cottage owners immediately after the resort season opens so that all can have their say in the matter. At that time it is hoped that a plan for a permanent policy for adequate fire protection for Macatawa Park will be adopted.

At the preliminary meetings that are being held in Grand Rapids plans are also discussed to make the burned over area look less like a desert. The beautiful trees cannot be replaced but some steps will be taken soon to make the place look more presentable than it does now.

The proposed tri-state sour cherry advertising campaign has been abandoned, according to Mark Hutchinson of Fennville, president of the Michigan Canners' association. The project fell through when New York canners and cold packers were unable to agree upon their proportion of the financing program.

Michigan and Wisconsin growers and canners early in the winter signified a willingness to join in the advertising movement and it is possible they may continue plans formulated at previous conferences.

Mr. Hutchinson reports that representatives of the Michigan Fruit Growers, Inc., expressed a desire at a recent conference with the canners to initiate the advertising. They suggested inviting the Wisconsin growers and canners to participate.

Michigan annually packs between 18,000,000 and 20,000,000 pounds of sour cherries and by levying an assessment of a fractional cent per pound, the growers estimate 20,000 to 25,000 annually could be raised for advertising purposes. The producers proposed this fund be turned over to an advertising committee consisting of three growers and two canners for use in stimulating the demand for Michigan sour cherries.

It is a rare treat which will be offered at the First Methodist church on Thursday night this week. A miscellaneous program by talent, young and old, with a beautiful little playlet and dramatization offers to all kinds of people something they will enjoy. The Home Guards, a children's missionary organization of the Methodist church, is giving this to the public to add to its missionary gifts for the year. All are invited. A silver offering will be taken.

By the passage of the reapportionment bill Ottawa county will lose one of its seats in the house of representatives at Lansing. For many years Ottawa has been divided into two legislative districts, one for the east side of the county and one for the west. At present Fred McEachron is representing one district and G. W. Kooyers the other. Under the new apportionment Ottawa will have only a single representative.

Mrs. Amella Louise Herpolsheimer, widow of William G. Herpolsheimer, founder of the largest general store in Grand Rapids, died at her home at the age of 78 years. Mrs. Herpolsheimer was born in Detroit Nov. 13, 1847, and was the only child of Mr. and Mrs. Henry Bremer. When an infant her parents moved to Grand Rapids and settled in Grand Rapids. Mrs. Herpolsheimer is well known in this city and at Macatawa where she has spent every summer for upward of 30 years.

Miss Esther Mulder of Grand Rapids spent the week end with her father, J. B. Mulder, East 14th street.

DESCRIBES THE POLAR REGIONS AS FRIENDLY

The story of a five year expedition in polar regions told by Vilhjalmur Stefansson in "The Friendly Arctic" was ably reviewed by Miss Katherine Post for the W. L. C. The author's purpose in writing the book was partly, so the title suggests, to convince the reader that the hostility of the north exists only in the mental attitude of the southerner and that in reality it is a friendly, commonplace country. He cites many examples to prove that its conditions are not extraordinary. Chicago has a heavier snow-fall than the arctic lands; the temperature drops ten degrees lower in Montana than at the North Pole; and in the summer a temperature of ninety degrees in the shade is not uncommon there.

Mr. Stefansson also corrects many common misconceptions concerning the barrenness and lifelessness of the country. In fact, he feels that the resources of the arctic zone will, in the not far distant future, become a world necessity as the population of the world increases and the means of subsistence consequently decrease.

Although Stefansson made important corrections in the map and added one hundred unexplored territory to it, the most significant feature of his expedition was his proof that man can be self-sustaining in the arctic sea, that he can obtain fresh water from icebergs, and can maintain life in the dead of winter by killing seals, which supply both food and fuel. Earlier explorers had thought it necessary to carry with them sufficient provisions for the entire trip and their labors were greatly handicapped by their loads and by the fact that they could not go far from the base of supplies.

Stefansson's party, carrying only thirty days' supply of food, maintained life on a ninety-six day trip on the ice.

Miss Post brought out the fact that the thing which most threatened the success of the enterprise was not the struggle against the elements but the insubordination of the under-officers who thought their leader was undertaking impossibilities. His ability to combine the white man's brain and perseverance with his knowledge of Polar craft assured his success, however.

Mrs. James Wayer reviewed the bills passed by our state legislature this year which pertained to measures of public health and education. She suggested that in making such a resume of its work one is impressed by the weakness of the legislature and by the provincialism of the people at home who seem to place sectional interests above the interests of the state at large.

Interpreting twentieth century American civilization in terms of the machine and its effect on the people, C. Vander Meulen read a brilliant paper before the Social Progress club Tuesday evening in which he imagined himself living fifty years hence and looking backward to the early days of the century. The club met at the home of Mr. and Mrs. C. E. Drew.

Mr. Vander Meulen declared that the era of the machine, in other words, roughly speaking, the twentieth century, divides itself into two periods. During the first the machine was the master of man, during the second man was the master of the machine.

The machine's mastery of man lasted until well toward the middle of the century, according to the imaginative picture drawn, although already in 1925 there were signs of the new order of things when man should be master of the machine. The railroad, for instance, being an inflexible machine, forced men to live in large groups, that is, large cities under unfavorable living conditions it dominated man and his mode of life because of its lack of flexibility. And so with most of the other machines, they owned the people instead of the people owning them.

But gradually a change came. Steam in transportation was relatively clumsy but that gave way to electricity and that in turn to the internal combustion engine, all an advance in adaptability and flexibility. It made unnecessary the grouping of large masses of people in small areas. In 1976 Mr. Vander Meulen visioned all people using the airplane and living where they pleased in the open country under the best conditions. For amusement they were no longer dependent on the theatres which can operate only in large cities but on radio and the advances made on that invention. In 1976 he saw man as owning the machine and he saw civilization saved thereby.

The club held its annual election of officers. The nominating committee composed of J. J. Riemersma, T. N. Robinson, Arthur A. Vlascher and F. N. Patterson, nominated the following officers who were elected by the club: President, J. J. Riemersma; first vice-president, T. N. Robinson; second vice president, Arthur A. Vlascher; secretary and treasurer, F. N. Patterson.

A long strip of canvas—probably the longest strip of canvas ever put to use in Holland—was being put up at the ball park and decorated with advertisements today. The strip is 516 feet long and five feet wide and it will be stretched along the east and south sides of the base ball park when a game is in progress. The canvas that it can be equipped with hooks so that it can be taken down after each game and thus protected against the ravages of the weather.

The canvas was made possible through the advertisements of the following local firms: Green Mill Cafe, Jack Blue, Ollie's Incorporated, Van's Gas, James A. Brouwer & Co., Holland Furnace Company, Klomprens Coal Company, Peoples State Bank and the Holland Theatre.

Each of these firms will have an advertisement on the canvas forty feet wide and painted in colors. The price paid for the spaces will pay for the canvas and also for the work of painting the advertisements.

The most important reason for putting up the canvas is to protect the players when a game is in progress. Frequently when the sun strikes the windshields of automobiles parked along the fence the glare of the reflection blinds the players. This has compelled the management more than once to stop a game.

City Clerk Richard Overweg and Inspector Henry Bosch motored to Grand Rapids on city business Monday.

GIVES \$100 TO THE CITY B. B. TEAM

A. H. Landwehr of the Holland Furnace company has again come across in the spirit of liberality, and has written manager Spriggs TeRoller that the Holland Furnace Co. was asked to donate \$100.00 to the Cedar Rapids, Iowa, team where the company's large branch is located, and he surely wasn't going to forget Holland; for that reason he enclosed a check for \$100 for support of the local team. Naturally the members of the organization and the Holland fans are very thankful.

Manager TeRoller has something else up his sleeve. He now wants a name for the Holland baseball park. He states that the city has done very well by the Holland Independents, and the local park board, under whose supervision all parks are placed, is in full accord with the plans. In fact, the board will select a committee to go over the names suggested.

It is Mr. TeRoller's plan to give as a prize a pass to all games played this season, which also carries with it the best seat in the grandstand. All names suggested must be mailed to the clerk of the park board city hall, Holland, Michigan.

Blanks, a copy of which is found below, can be obtained at Van Tongeren's, Ollie's or the Superior Cigar store. All name suggestions must be in not later than the night of Thursday, May 7, and the name of the winner and also the name of the baseball park will be announced at the game Saturday afternoon, May 9, when the Holland Independents meet "The Halls Clowns" of Grand Rapids, for the opening game of the season.

Below contestants will find blank that can either be cut out from this paper or can be secured at the city's different cigar stores.

NAME OF BASEBALL PARK

Name

Address

IS SHOWERED IN TWO WAYS

A very happy miscellaneous shower was given in honor of Miss Thelma Haas of Macatawa Park. Mrs. Hazel McClellan and Miss Clara McClellan being the hostesses at the home of the later, 149 E. 5th st.

The evening was spent in making many useful articles for the hope chest and in unique games suggestive of the wedding event. Several prizes were won, which were in turn presented to the bride elect. In the midst of the festivities a postman appeared, heavily laden with parcels, pictures, and gifts of various sizes and descriptions. With many exclamations of delight and wonder, the packages were opened by the bride-to-be, examined and admired by all. The company then adjourned to the dining room, the decorative colors of which were pink and white. A Japanese parasol was suspended from the center filled with confetti, and as Miss Haas, all unsuspecting, was sitting at the table, preparing to cut the name cakes, she was suddenly treated to another abundant shower. Refreshments were cake, cream and assorted nuts. Miss Haas will be a June bride.

ALLEGAN TO HAVE ELECTION TO SETTLE TWO SQUABBLES

The council of Allegan has ordered a special election for Thursday, May 14, to vote on the question of adopting eastern standard time. All factories and most of the business places of the city went on eastern time Monday.

Incomplete returns from the vote in the city schools show a 4 to 1 vote favoring adoption of daylight savings time.

NEGRO SINGERS TO BE HERE

On May 4th, at 8:00 P. M., a notable negro double quartet, the Imperial Singers, of Grand Rapids, will sing at the First Methodist Church of this city. Miss Bertha Cross, representative of the Michigan State News, says of them:

"I have had the pleasure several times to hear the Imperial Singers render their Spiritual and Sacred Songs and will say I have been highly entertained at each one of their recitals, and will always attend such of their programs when opportunity affords itself."

These people compose a part of a very popular negro choir in Grand Rapids. They come to Holland in the interest of the Esther Home for working girls in our sister city.

The Hope College Girls' Glee club which so recently gained highest honors in the state contest held election of officers. Cornelia Nettinga was elected to head the club for the coming year. The other officers are: Vilhelmina Sprick, Vice-president; Anne Barkema, Secretary; and Ruth Van Keren, Treasurer.

On the evening of May 6, 1925 the club plans to put on a program in the chapel. A small admission fee of 50c will be charged. The newly elected president states there is to be no interstate contest this year because the authorities did not have enough time to get ready. Next year however there will be an interstate contest, and if the club wins again it will be able to participate.

Mr. and Mrs. Leale Risto of Gary, Indiana, spent Sunday with their parents in Holland.

G. J. Diekema is in Columbus, Ohio, where he is attending a meeting of the directors of the Columbus Heating and Ventilating Co.

Mrs. McKinley Burch of 156 Fairbanks Ave. is nicely recovering from a serious operation done at her home.

Mrs. Clara Tuttle left for an 8 months trip through Wisconsin and Minnesota.

HOPE GOOSE EGGS KALAMA- ZOO COLLEGE

With Albers, the Orange and Blue moundman, pitching practically airtight ball and receiving excellent support, the Hope nine turned in a 17-0 victory over Coach Streets' devotees of the national pastime yesterday afternoon. Hope started things off with a bang when they brought in three runs in the first frame and followed this up with two runs in the second. In the fifth three more runs were brought across. One followed in the sixth.

Then in the seventh with two runs in and the bases loaded, Riemersma cracked out a single. He attempted to stretch it into a two base clout and was caught out at second. But three more runs were chalked up thru this clout. In the eighth De Groot lined out a double, bringing three more, as the bases were loaded that trip too. Hope awaited the ball all over the Hope campus and nicked Davis and Black for twenty hits.

Kazoo on the other hand was unable to hit Albers consistently. Five safe hits were chalked up against him. Sixteen Kalamazoo would-be swatters whiffed the breeze before his baffling delivery. One Celery City lad was given a free pass.

Hope gave an exhibition of the type of ball they are capable of playing. They have an excellent coach and a good hurling staff.

Albers was never caught in a tight place Monday and had perfect control and delivery. Too much credit cannot be given him for the complete Hope win.

Kazoo is tied with Hillsdale for the M. I. A. A. pennant chase.

Hope 3 2 0 0 3 1 5 3 x 17 20 2
Kazoo 0 0 0 0 0 0 0 0 0 5 4
Batteries: Hope, Albers and Riemersma; Kazoo: Davis, Black and Ludwig.

Miss Mary Pieters, editor of the Hope College Anchor of 1924-25, will graduate in June and this fact adds one more to the Pieters family to the Hope Alumni Association. Rev. and Mrs. Albertus Pieters were members of the class of 1887 and since that time four daughters have been graduated and the youngest is about to graduate, making their totals seven. The Pieters family will share honors with the family of Rev. John Hoekje for the largest family representation in the Hope college alumni association.

Rev. John Hoekje was graduated from Hope in 1873 and since that time four daughters and two sons have been listed as members of Hope's alumni. Prof. John Hoekje, Jr., is now one of the heads of Kalamazoo Normal.

Mr. and Mrs. George Hill of Grand Rapids spent the week end with Mrs. Hill's parents, Mr. and Mrs. Frank Dyke, West 15th street.

TO REBUILD MUSKEGON COAST GUARD STATION
It was stated at the district superintendent's office of the United States Coast Guard at Grand Haven Monday morning, that bids would soon be taken on repairs and rebuilding operations at the Muskegon coast guard station in accordance with plans submitted to the Grand Haven office. It is planned to rebuild and repair the station, dwelling, and boat house and to construct a new launchway and bulkhead arrangement.

SOON TO OUTLAW DIPHTHERIA IN ZEELAND CITY

Diphtheria, the dread disease of Michigan children these many years, soon will be relegated to the realm of ancient history in Zeeland.

In line with the state wide program for diphtheria protection being carried on by the Michigan Department of Health, an active campaign is being organized by Zeeland laymen and physicians. Plans are being made to offer diphtheria protection to every child of school and pre-school age in the community.

"Every individual can be safeguarded for life against diphtheria by the use of toxin-antitoxin," says Dr. R. M. Olin, State Commissioner of Health. "Toxin-antitoxin has been supplied free of charge by the state for more than two years, yet few have availed themselves of the opportunity and last year alone we had 6,000 cases of diphtheria and 471 deaths. To check this needless waste of children's lives, the present state-wide campaign is being conducted."

During the past week the scholastic averages of all members of the senior class of Zeeland high school have been figured up. This includes the work which they have taken during the past three and one-half years, also including the marks for February and March. One reason for making out these averages is to decide which students receive first and second places, so that the valedictory and salutatory can be assigned. The race for the valedictory this year has been very close and only after very careful figuring was the matter finally settled. Because of the fact that the students with the two highest averages had only a difference of two one-hundredths of a percent, almost equal honor is due each of them. Harold Boer wins the valedictory with an average of 94.33; Lawrence De Vries, salutatory, with an average of 94.31; Gertrude Vanden Brink, third place, with an average of 93.96. The next four places are as follows: Marie Dykens, 92.39; Janet Van Gelderen, 91.29; Josephine Kroodama, 90.49; Otto Yntema, 90.00.

An attempt was made in the state senate Friday to defeat the Turner bill, which would abolish all high school fraternities, sororities or other secret societies operating under rules other than those of the school.

Sen. Harry Whiteley of Dowagiac moved the bill, which was up for consideration on general orders, he referred back to the committee on rules and resolutions. The motion, if carried, would have meant defeat for the bill in that that committee is known to be opposed to the measure.

Immediately Sens. Frank Young of Lansing and Vincent Martin of Fruitport jumped to their feet to defend the bill. Sen. Whiteley then agreed to have the bill passed for the day.

GRAND HAVEN MAN SEES FREAK STORM

While driving back from South Bend with a new car Friday, Floyd Sherk, of Grand Haven, reported that the highway of M-11 where he was when the storm broke, was comparatively free from rain and had no hail while within a few miles on either side, rain and hail fell profusely.

Many large new buildings will be completed in this city within the next six weeks. Among them are the armory, new hotel and 7th Reformed church.

The story has just leaked out that Sheriff Fred Kamferbeek figured in an automobile accident right on the streets of Holland his home town. The sheriff was driving on ninth street between College and Columbia avenue on Thursday of last week, according to the story, and ran into an Oakland owned by Norman Cobb. The comic part of the accident is that Cobb's car was parked at the curb when the accident happened. The damage is said to be about \$100.

John Miller who for the last two years has been promoting real estate at Virginia Park, in what is known as the Harrington Addition with a great measure of success, has opened real estate offices in the James A. Brouwer Co. building at the corner of River avenue and Ninth street.

Mr. Miller has been identified with Holland before; some 15 years ago he was associated with his brother-in-law, John S. Dykstra in the Crocker business. He has been a resident of Detroit for a number of years at zenith of its prosperity, and there attained a wonderful insight relative to real estate values.

The programs for the coming year of the W. C. T. U. were distributed to the members at their meeting on Friday afternoon. They give promise of a series of varied and helpful meetings, many local speakers giving their time and talent.

At this week's meeting, besides the devotions led by Mrs. Huizenga and musical readings by Loretta Schulling, Mrs. C. J. Dregman reviewed the book "The Highway" by Caroline Attwater Mason. The book is worthy of attention as it deals with moral and religious principles so essential to sane humane living. The speaker brought out as the great teaching of the author to be the great influence a true Christian mother may have on her children. The book is recommended to all readers, especially young people and students.

Ford News

As a delivery unit to meet requirements for equipment lighter than that of the ton truck, the Ford Motor Co. has just added a pick-up body to its commercial line.

The new body is designed for use on the Ford runabout, taking the place of the rear deck, and is well adapted to all kinds of light hauling and quick delivery. The runabout seat affords comfortable riding for the driver and there is ample room for another passenger. Full protection against inclement weather is provided by the top and side curtains.

The new body is of all steel construction and sturdy built. It is 3 feet 4 1/2 inches wide and 4 feet 8 in. long. Sides are 13 inches deep to the flare, so that loading space is sufficient to meet all demands of light delivery. The end gate is the same as that on the express type body of the ton truck and when partially lowered is securely held in place by chains.

OLIVE COUPLE MARRIED 64 YEARS

Sixty-four years of married life were completed by Mr. and Mrs. Roelof Timmerman at their farm home in Olive township, where they celebrated the occasion in the presence of sixty-six children, grandchildren, neighbors and friends.

Mr. and Mrs. Timmerman were born in the Netherlands and came to America some forty-eight years ago, when they settled on their farm in Olive township near the Owen's school. Both Mr. and Mrs. Timmerman are in fairly good health. Mr. Timmerman is eighty-five years old and Mrs. Timmerman is eighty-eight years.

Those present to help make the occasion happier were Mr. and Mrs. Klas Timmerman and daughters Misses Jennie and Alice; Mr. and Mrs. W. Vander Veer and family and Mr. and Mrs. E. Bloomsma and family of Noordeloos; Mr. and Mrs. Ralph Timmerman of Zeeland; Mr. and Mrs. Ben Timmerman and son, Herman, of Rusk; and John Timmerman who resides at home; Mr. and Mrs. J. VerMeulen of Holland, also the following neighbors: Mr. and Mrs. A. Hamstra and family, Mr. and Mrs. J. Driesenga and family, Mr. and Mrs. J. Luurtsema and family, Mr. and Mrs. G. Talsma and family, Mr. and Mrs. R. Talsma and family, P. Talsma, H. Geurink, B. Geurink, Minnie Geurink, Henry Geurink, Mr. and Mrs. W. Owen's and family, and Mr. and Mrs. C. Stremler. A very enjoyable evening was spent by all.

TWO ALLEGAN VISITORS DROPPED DEAD ON SUNDAY

According to the Allegan paper two men dropped dead on Sunday while there on a visit.

Edgar A. Carey, 70, Joliet, Ill., who has spent the last two weeks with Mr. and Mrs. C. M. Bostwick, dropped dead in the Kalamazoo M. C. station Sunday morning.

He was returning to his home for a few days, expecting to return to Allegan this week.

He came to Allegan Saturday from the Bostwick home, stayed over night and took the first car to Kalamazoo Sunday. Death was due to heart disease.

Robert M. Love, Kalamazoo, dropped dead Sunday morning in the home of Mr. and Mrs. Warren Holland. He was stricken in front of the home as he was about to enter. Mrs. Love had been visiting at the Hollands and Mr. Love had just driven into Allegan to join his wife and to spend the day. Mrs. Love and Mrs. Holland are sisters. He leaves his widow and one daughter, Mrs. J. W. Vivian, Chicago. He was born in Pine Grove, February 22, 1856 and had lived most of his life in Kalamazoo.

Born to Mr. and Mrs. Willis A. Dekema, at Holland hospital, a daughter, named Sarah Gertrude.

There will be a rummage sale in the guild hall of Grace Episcopal church on May first and second.

INJURIES PROVE FATAL

Injuries suffered when struck by a locomotive came at the Lakey Foundry at Muskegon last Wednesday were fatal to Spencer Neiligan, 25, who died early Sunday at Mercy hospital. Mr. Neiligan was painfully injured about the left leg when the crane swung toward the engine, catching his limb. He was believed to be on the way to recovery, but suffered a relapse.

His home is at Sault Sainte Marie. The body was taken to the Balbirnie funeral home.

RAINEY TRAVEL PICTURES COMING

At the First Methodist church on Friday evening, May 1st, the travelogue of Paul J. Rainey, world famous explorer, will be shown under the auspices of a committee that has made all arrangements with the Service. Film producers for its release here. The program consists of five reels of motion pictures, beautifully tinted and toned, taking the observer through the heart of the jungles of Africa, taking one through this trackless world where man has not been before. Mr. Rainey being the first white man to go there with a movie camera. Some wonderful scenes are depicted such as the lion hunt, where in the lion charges twice at the camera with such rapidity that it is necessary to show the scene twice. In connection with the showing a short talk will be given by R. Douglas Harrison, noted cinematographer, on the many difficulties encountered in the taking of the pictures and on the life of Mr. Rainey. This is a program the schools recommend, presenting as it does the greatest drama of all, the drama of nature, making an hour and a half of clean entertainment.

Born to Mr. and Mrs. Isaac Kiles, a 7 1/2 pound boy.

ALLEGAN GOLF CLUB HOUSE IS NEARLY COMPLETE

Friendly golf contests were repeatedly staged last season between members of the Spring Lake golf club and the Holland Golf Club experts. Allegan has now organized and no doubt will be heard from soon.

Work on the clubhouse is about completed and the opening party will be held early in May. The grounds and clubhouse are located nearly four miles south of Allegan on the Osego road and the membership is made up of citizens residing in Plainwell, Osego and Allegan.

President Hollis S. Baker of the Otwelligan club has named the season's committees: House committee, Herman DeLano, Mrs. Howard Stuch and Mrs. Eugene Eady; greens, C. F. Peck, T. W. Dickerson, Charles Richards; entertainment, Mrs. George Bardeen, Mrs. George Gilkey, Mrs. H. O. Maentz for the women, and Edward Horan, Dr. O. H. Stuch and Dr. G. H. Copp; sports and pastime, Eugene Eady, H. D. Tripp and Oscar Hansen.

DIES MONDAY MORNING

AT JENISON PARK
Mrs. Albert Vos, aged 25 years, died Monday morning after a lingering illness at her home at Jenison Park. She is survived by her husband, one daughter, Ellen Lane, her mother, five brothers and three sisters. The funeral was held Thursday afternoon at 1:30 at the Grand View Hotel at Jenison Park and at 2:30 at Trinity Reformed church. Rev. C. P. Dams officiating. Interment was at Pilgrim Home cemetery.

LOCAL CHURCH HONORED AT G. R. RALLY

The Grand Rapids Herald of Monday printed a cut of Father F. W. Ryan of the St. Francis church in Holland in connection with a rally of the Holy Name society. In connection with the cut the Herald says: "Plans are now under way to make this year's rally one of the most successful ever held. It will take place Sunday afternoon, May 10, in the Coliseum. According to Rev. R. E. Fitzpatrick, 5,000 are expected to be present from Grand Rapids and

western Michigan. The principal address will be by Hon. August H. Bolvin, M. P., of Montreal. At the present time Mr. Bolvin is speaker of the House of Commons. He is also a Commander of the Order of St. Gregory the Great, an honor conferred on Mr. Bolvin by the late Pope Benedict in recognition of his extraordinary work on behalf of the soldiers in the world war.

The address of welcome will be delivered by Rev. Frederick W. Ryan of Holland, pastor of St. Francis de Sales church. St. Francis de Sales Holy Name branch has been chosen as the one under whose special auspices the rally is to take place. This signal mark of favor is given the branch for its great activity in behalf of the Holy Name cause and for the large membership and continued growth of the society. This is the first time that a rally has been sponsored by an out-of-town branch of the union."

SHERIFF GRABS OFF 28 BARRELS OF GRAPE WINE AT SAUGATUCK

Sheriff Ben Lugten, deputy Sheriff Seldon Phillips and Prosecutor Bloem of Allegan county, made the largest

search and seizure haul ever made in the county when the home of Rudolph Huntinghouse near Saugatuck yielded 28 barrels and half barrels of grape wine, (1,400 gallons in all), 2 gallons of kimmel, 6 cans filled with kimmel, 18 barrels filled with grape pulp for making wine, besides a number of bottles filled with sour wine. Five truck loads of barrels, bottles and jugs were brought there Sunday and stored in the cellar of the jail. Huntinghouse was arrested by the sheriff and was arraigned Monday.

LEGION ASKS FUNDS FOR THE TREE PLANTING

The American Legion is going in for another tree planting campaign along the country roads in the vicinity of Holland. Last year a large number of trees were planted. These are being cared for by the park board of Holland so that assurance is given that they get intelligent care.

While not all of them live, many survive and the dead ones will be replaced this year.

Moreover the work will be extended and many more trees will be planted. In order to collect funds for this work the Legion has sent letters to 100 citizens asking each to contribute \$5.00 to the fund. As the time for planting trees is here, the Legion has asked that the checks be sent without delay.

The following have already responded and the Legion is asking others to do the same thing, whether they received a letter or not. Any contribution will be gratefully received. Checks are to be mailed to Charles Van Lente at the Holland City State bank. Those who have sent checks are:

E. J. Westveer, J. J. Cappon, Mrs. O. Nystrom, H. A. Doesburg, Thos. Marsilje, Mrs. Wm. C. Vanden Berg, G. J. Diekema, C. M. McLean, Isaac Kouw, G. E. Clements, F. L. Laack, Jas. A. Brouwer, Thos. N. Robinson, Henry Pelgrim, Fred Miles, Luke Lugers, De Pree Hdwe, Jas. De Pree, J. H. De Jongh, Du Mes Broas, Dr. R. H. Nichols, P. S. Boter & Co., Dr. M. J. Cook, Nick Kammeraad, J. Fris, Chas. Kirchen, A. H. Landwehr.

Holland's Financial Condition

Below will be found the statement of the three Holland banks, namely First State, the Peoples and the Holland City State Bank. It would be well to examine these statements carefully for these will reveal the wonderful condition that these three strong financial institutions are in. The figures speak volumes for the thrift that citizens of Holland display, both in the savings and in the commercial department.

Below will be found three statements of the three Holland Banks:

REPORT OF THE CONDITION OF The Holland City State Bank

Marriage license were issued in Allegan county for Harry Lambers, Laketown; and Minnie Vander Vliet, Holland; James Louis Lubbers, Hamilton, Bertha Sadia Hoekje, Fillmore.

Says the Ganges correspondent: Hon. G. J. Diekema of Holland has been secured to deliver the memorial day address in Ganges at the M. E. church.

Mrs. A. McNabb who has spent the winter in Los Angeles, California, has returned to her home 203 E. 8th street.

Bernice Sirrine vs. Alfred T. Sirrine. Bill for divorce; married Nov. 29, 1916, at Holland; have two children; cruelty alleged; defendant enjoined from molesting his wife at her home, 1747 Horton ave., S. E.—Grand Rapids Herald.

Rev. John D. Dykstra, pastor of the Reformed church at Hopsers, Ia., has received a call to a principality of Northwestern Classical Academy at Orange City, Ia. Mr. Dykstra is a graduate from Hope college.

Miss Gertrude J. Pieters who has recently returned from Japan, where she has been engaged in the teaching profession since her graduation from Hope college nearly four years ago, achieved the distinction of being the youngest missionary ever sent out, when she received her commission from the board of foreign missions in 1921.

Farm bulletins recently issued and now available at the agricultural agent's office include: Fertilizing the Mature Apple Orchard; Orchard Grafting; Pruning Black Raspberries; The Cherry Maggot. Any of the copies may be produced calling at the office of C. P. Milham, Ottawa county Farm Agent at Grand Haven.

A report being circulated about Jan Vleck Hall has it that Jerry Vleck made a trip to the Kalamazoo county to witness the contest of the State Glee Clubs. But, "he had a motive." The purchase of an Airdale dog resulted and we have been told that a young lady residing on Ninth street received it as a gift. Pool has surely "gone to the dogs."—Hope College Anchor.

Gerrit Wessink a Hope college student was seriously injured when a man on a wheel ran him down knocking him among the tulips in a flower bed at Centennial Park. The soft bed arrested his fall to such an extent that he will not be confined to the real thing.

Rev. C. P. Dame of Trinity Reformed church, will continue his series of sermons Sunday evening on the general topic, "The Question of Attitude." The subject Sunday evening will be "The Right and Wrong Attitude of a Christian towards His God."

Evangelistic services are being held at the Wesleyan Methodist church each evening this week at 7:30. Evangelist Hotchkiss and son are in charge of the meetings. Three services will be held on Sunday. In the morning at two o'clock afternoon at 2:30 and in the evening at 7:30. The public is cordially invited.

It is not difficult to prove that some college students live in the realm of idiosyncrasy. Thursday night, April 23, Walter Roughgarden, commonly known as "Ruffie," and William Hilmert, his "side-kick," decided to sleep outdoors because Van Vleck was unusually warm. Without consulting Father Hogenboom or Mother Kinkema, they grabbed blankets and adjourned to the Sunken Gardens. All through the still night air "Ruffie" and Bill reposed as did the worthy pioneers of old. (We might add that they didn't do it Friday night).—Hope College Anchor.

The Thieleman Auto company, pioneer Grand Haven motor car dealers, have announced the purchase of a lot on Third street in the rear of the First Reformed church. This lot has a sixty-six foot frontage and in one hundred and thirty-two feet in depth. The deal was made known today although it has been in project for some time. It was stated that the Thieleman Auto company expects to start work this summer on a new garage on their property just acquired. This garage will be expressly for Ford and Lincoln service station.

Prof. Albertus Rooks, 93, who occupies the chair of Latin language and literature at Calvin college, has enrolled for the summer months with the American Classical Academy at Rome. Prof. Rooks expects to leave Grand Rapids during the first week in May.

GRAND HAVEN GARDENER GETS DIPLOMA IN EASTERN SCHOOL

Ben Zenderink, well known Grand Haven landscape gardener and horticulturist, has just completed his course in the American school of Newark, New York and has been awarded his diploma as a graduate landscape architect and gardener by that institution. Along with his regular course, Mr. Zenderink also took a course of study in diseases of trees and shrubs.

Mr. Zenderink has been engaged in landscape gardening and horticulture in Grand Haven for several years, following considerable experience in private gardening. He has established the Wallace street Gardening and Landscape service, with extensive greenhouses and nurseries at his home.

IRON ORE FOUND AT WEST OLIVE

A small deposit of bog iron ore has been found on a farm near West Olive. A sample of the mineral was forwarded to State Mining Geologist L. P. Barrett who makes the following report.

The sample is typical of bog iron ore made up largely of the mineral limonite, a hydrated oxide of iron. Occurrences of bog iron ore are very common throughout Michigan and in other areas covered by glaciation. They also are common throughout the world wherever there are swamps.

"However, I know of no place in the United States where the tonnage was sufficient to make any deposit of commercial importance. To make a profitable open mine it would necessitate a deposit carrying 1,000,000 tons or better of this material in one solid mass. We have never found such an occurrence in Michigan, although hundreds of occurrences have been reported, nor is it likely that we will find any such tonnage."

On Thursday evening, May 30th, there will be a very interesting entertainment at the Methodist Episcopal church, to which the public is cordially invited. A group of children will present a playlet, "Uncle Sam's Children." Another group will appear in dramatizations and songs. A violin and cello duet, vocal and instrumental solos and readings by some of our city's talent, and songs by the high school girls' glee club promise a most enjoyable program. A silver offering will be taken for the work of the Home Guards, the children's home missionary organization.

A ditch blasting demonstration will be held on the farm of Albert Heyn on Monday, May 4. Mr. Heyn lives 1 mile east of Clark's corners in Robinson township. The ditches to be blown are to measure six feet across and four feet deep. Approximately 140 rods are to be blasted in 10 rod sections. The first charge will be exploded at about 10 A. M., fast time. The land to be blasted is low marshy ground sloping toward the Grand River. The soil is muck overlaid with marl. This spectacular demonstration will show how quickly, easily, safely and cheaply ditches may be made using high powered explosives. To blast a ditch of this size requires a charge of from six to eight pounds of 60% straight dynamite. A large number of farmers who desire open ditches to drain land are planning to attend. Others will probably attend out of curiosity to see the action of miniature mines in the soil.

NEW GRONINGEN

The P-T Association met April 24th at the schoolhouse. A good program had been prepared and important business was discussed. A fine representative audience was present.

The Holland Country Club has again opened its course for golf playing.

Mrs. J. Stegeman entertained the following ladies at her home: Mrs. W. Ossewaarde, Mrs. J. Ossewaarde, Mrs. De Pree and Mrs. E. Boone were present.

Mrs. John Stegeman received a telegram from her son, Dr. W. Stegeman from Santa Barbara, Calif., last Friday, congratulating her on her birthday anniversary.

he Oudemolen home that has been under quarantine for diphtheria the past few weeks is again accessible as the card has been removed.

NORTH HOLLAND

Wm. De Wits has purchased the 40 acre farm of Martin Diepenhorst in North Holland. Mr. M. Diepenhorst takes in exchange the residence occupied and owned by Wm. De Wits on Franklin Avenue.

Miss Alice Jongekryg who has been employed in Holland has again returned to her home.

The services of the North Holland church were conducted by Rev. D. D. Ellerbroek, pastor of the South Blendon church Sunday before last, while Rev. Maatman had charge of the South Blendon church.

Mrs. John Van Eyck submitted to an operation for appendicitis at her home. She is reported to be doing nicely.

Chester Raak recently spent the week end with his grandparents, Mr. and Mrs. Charles Raak, at Holland. Mrs. Van Vliet, wife of Rev. Van Vliet, pastor of the Chr. Reformed church at Crisp, who was confined to her bed with illness is slowly recovering.

The Easter program which was given at the Crisp church proved to be a great success. It consisted of songs, duets, recitations and the singing of psalms, directed by Mr. Gerrit Lievense.

EAST HOLLAND

On April 15th the East Holland school held their P-T meeting. The main speaker was Rev. D. R. Drukker. Those who took part in the program were: J. Boeve, R. Vos, T. Bos, Mrs. H. Brummel, Mr. Vander Kolk, Mrs. Boonstra, Mrs. Vos Cornelia Rooks, Anne Boeve, Mrs. Boerman, Clara Rooks, and Eva Boeve. Refreshments were served. Everyone enjoyed the fine social hour.

COMMON COUNCIL

Holland, Mich., April 24, 1925. The Common Council met in special session pursuant to call issued by the committee on Ways and Means for the purpose of considering the sale of the Sewage Disposal Bonds.

Present: Mayor Kammeraad, Aids. Slaghs, Kleis, Drinkwater, Brieve, Laepple, Hyma, Peterson, Dykstra, Van Zanten, Visser and VanderHil and the clerk.

The committee on Ways and Means presented the following resolution:—"Resolved, that the \$195,000 of City of Holland Sewage Disposal System Bonds be sold to the Detroit Trust Co., of Detroit, Michigan, at par, accrued interest to date of delivery and a premium of \$12,000. The Detroit Trust Co. to furnish the printed bonds and attorney services without charge which is as per their proposal under date of April 24, 1925."

On motion of Aid. Laepple, Resolved, That the resolution be and the same hereby is adopted. Carried.

Adjourned. RICHARD OVERWAY, City Clerk.

DOUGLAS ITEMS

Mr. Palmer, son and daughter and friend of Chicago spent Sunday at Beachmont. The young people will spend the week.

Mr. and Mrs. Arthur Eaton spent Sunday with their daughter, Mrs. W. Arnett and family at Bridgeman.

The families of Adam Shaw, Jacob Fox and Isaac Shagonoby have moved here for the summer to work in the basket factory.

Don't forget the May Party at the Douglas Village Hall Friday evening given by the I. O. O. F. lodge.

Mrs. Claude McDonald and son Robert are spending the week with her sister in Chicago.

Edgar Coxford of Holland spent Sunday and Monday with his parents Mr. and Mrs. Wm. Coxford.

Mrs. William of Chicago spent a few days here this week looking after her property.

Mrs. Houseman has returned home from an extended visit in Chicago.

Mr. and Mrs. Wallace Williams of Grand Rapids spent the week end with her mother Mrs. Finley.

Mrs. Harold Van Syckle and daughter Katherine Jane returned home from Detroit Sunday where she has been spending the past few weeks with her sister Mrs. John Alber.

Ray Lighthart and family of Holland spent Sunday with his parents Mr. and Mrs. Frank Lighthart.

Miss Flossie Slater of Grand Haven spent the week-end with Miss Gladelle Bruner.

Mr. and Mrs. Dudley Smith of Grand Rapids spent Sunday here with relatives.

Mrs. Floy Ellis was the guest of Mrs. Oliver Whitlow in South Haven last Wednesday.

Samuel Gibson has bought the William Devine house just north of the Congregational church and will occupy it in the near future.

Mrs. Thomas Martin fell last Thursday evening and hurt her arm. Mr. and Mrs. Edward Mandley of Chicago came Saturday for a 10 days' vacation at their cottage on the Lake Shore.

Mr. and Mrs. Logie of St. Louis are occupying their cottage on the Lake Shore.

Mrs. John Norton is in Rockford called there by the illness of her mother.

SAUGATUCK

A few years ago R. M. Meyers came to Saugatuck from a town in Illinois and began making high-grade over-stuffed furniture. His work has proved very satisfactory and he is finding a ready market for his goods not only in Saugatuck but in a number of other sections of the county.

Mr. L. D. Chapple of Wayland, It is said recently laid claims to having served longest as a notary in Allegan county. Mr. Chapple seldom makes a claim that he can not easily verify, but on this point he will likely have to yield to Mr. Wm. Dunn of Ganges who claims a record of forty-nine years of continuous service as a notary.

Among the recent improvements in Saugatuck is the Christian Science church, which stands at the west side of that section of the village park now being improved. The location of the church is ideal, facing the beautiful little park and being convenient of access. Like all such churches, the front is of the Grecian type of architecture, a broad approach extending the whole width of the building and the projecting roof supported by Grecian columns. The auditorium is capacious, conveniently seated, appropriately decorated, and well lighted. Besides the heating plan, the basement has a large room suitable for Sunday school use and for other church conveniences. The building, it is understood, will be dedicated some time during the summer, although it is now being used for church service.

Prof. Egbert Winter of Holland conducted the funeral service over the body of Miss Harriet Spencer who died at the home of her mother, John Dykstra had charge of the funeral arrangements.

DOUGLAS

New cases in Allegan circuit court of particular interest to Douglas people are petitions for vacating Trumbles' first and second additions to the village of Douglas. The Lake Shore road runs along the shore north and south between these additions and connects with the road through Douglas recently closed. It is claimed that this road, made 66 feet wide by the plats, was originally a wheeltrack and it is desired by vacating the flat to reduce it again to this size. Wilkes & Stone are the attorneys.

HAMILTON

The sudden death of Mrs. Henry Rutgers which occurred April 8, came as a great shock to the people of Diamond Springs and vicinity as the last month she was recovering very rapidly. Her cause of death was heart trouble. She was 33 years of age. She is survived by her husband and two children, Claire aged 11 years and Gerald aged 8 years. She also leaves a mother two brothers and one sister besides many relatives and a host of friends. She will be greatly missed by all. Our one comfort is that she has joined her four little babies which preceded her death beyond the pearly gates. Funeral services were conducted by the Rev. Clark at the home and at the Diamond Springs church Saturday. Interment was made at Poplar Hill cemetery. Our sympathy is with the bereaved family.

Sad and sudden was the call, Of our dear Jennie, loved by all. Our loss was great, the shock was severe.

We little thought her death so near, We know not why, we cannot tell, But Jesus knows and knows it well. It matters not what may befall, The Saviour knows it, knows it all.

On Friday evening, April 24, the Minerva society of Hope College, Holland, gave a miscellaneous program in the Community hall at Hamilton. Cornelia Mulder, the Minerva president, gave a welcome address. "How do you do," by Cordella Klein, "Heksel: vocal solo," "In the Garden of Tomorrow," by Margaret Boihuis. A Sketch "Going Somewhere," composed of Christine Holkeboer as the old woman, Cornelia Mulder as the old man, Sadie Modder as the Peanut boy, Thien a recess was held during which frost-bites were sold. Piano solo by Harriet Onk. Pantomin "Coming Thro the Rye" by Pantomen Smallegan; quartette, "Sing Me to Sleep," composed of Margaret Boihuis, Christine Holkeboer, Hennehan; pianologues, "Foolish Questions" and "The Morning Call"

by Anna Koeman. Acrobatic stunts, by little Ruth Verhey. The program ended by the Minerva song which was sung by all the members. A large audience was present.

The weatherman has at last broadcasted a few copious April showers along the Beeline, which are being duly appreciated. The showers of Wednesday afternoon and evening were our first real thunder storms of the season.

The members of the consistory of the American Reformed church, at Hamilton somewhat surprised Joseph Hagelekamp one evening by calling at his home and presenting him with a fountain pen as an appreciation of his services as secretary and treasurer of the church.

The death of Mrs. Jennie DeZwaan occurred at the home of her brother in Overisel township.

Miss Dorothy Rutgers is employed in the home of Harry Dimming of Vriesland.

James Roelof is working in Kalamazoo at present.

Mrs. George Pol is on the sick list at this writing.

Born to Mr. and Mrs. Harm Bievinde—a baby girl.

Rev. and Mrs. James Rutgers motored to Jackson Monday.

Mrs. Henry Rutgers aged 36 years and two months died Wednesday of last week of heart disease. She is survived by the husband, two children, her mother and one brother.

ZEELAND

Henry Westveld, son of Mrs. F. Westveld of Zeeland and Miss Mary Morren, daughter of Mr. and Mrs. J. Morren, were quietly married at the home of the bride's parents by Rev. M. Van Vessem. The young couple are making their future home with the bride's parents, one mile east of Zeeland where the groom is engaged in farming.

On Friday and Saturday, May 1 and 2, the Ladies' Aid society of the Chr. School will have charge of the entire stock of dry goods and notions at the Barenam and Wagenaar store at Zeeland from which sales they will receive a certain percentage for the society. All friends and those interested are invited to do their spring shopping on May 1 and 2 at Barman and Wagenaar's, which will be greatly appreciated by the Chr. School Ladies' Aid society of Zeeland.

Miss Jeanette Brill entertained the employees of the Bell Telephone office at her home on South Church-st., Zeeland. Those present were the Misses Effie Klinge, Kate Shoemaker, Mildred Dalman, Arnes Rummelt, Margie Karsten, Paulida Lamer, Sadie Lampen and Cornelia Rooks. Very dainty refreshments were served, and all enjoyed the evening immensely. Miss Brill has been transferred from the Zeeland office to Holland where she will also do commercial work. She expects to take up

her new position about May first. The young ladies presented Miss Brill with a beautiful silk umbrella as a token of remembrance.

About 22 candidates are out for baseball practice and everyone is trying hard to make the Zeeland high school team. Here are many newcomers, who are giving the older players a good win. The players of last year are: Lokers, catcher; Yntema, winner of all the games he pitched last year; Van Hoven, former third baseman, now playing first; Lewis, second; and Ter Haar, outfield. The schedule as arranged is as follows: April 24, Hope rep. at Zeeland; May 1, Allegan at Allegan; May 8, Grandville at Zeeland; May 12, Hudsonville at Zeeland; May 19, Hope Prep at Holland May 23, Allegan at Zeeland; May 29, Grandville at Grandville.

This week is Salvation Army week in Zeeland, when friends of "the great human Salvage Corps," in this community will be asked to contribute at least \$500 to the Salvation Army Annual Home Service Fund, out of which is supported its emergency relief, rescue and hospital program in Western Michigan, is made by former mayor Isaac Van Dyke, one of the

Armies staunchest friends, who for years has ever stood ready to lend a helping hand in its work and who led its annual Home Service appeal last year during which over \$500 was subscribed.

Mrs. George Kleinjans of Zeeland who was taken seriously ill a week ago Sunday forenoon and was rushed to the Holland hospital, where she submitted to an operation the same day is doing well.

Two weeks ago when school opened, sMis Van Loo gave the seniors and juniors French achievement tests. They were made out by L. A. Wilkins and are to show what the student knows about French. Out of a possible 188 points in the senior test, the following six received the highest: Harold Boer, 173½ points; Gertrude Vanden Brink 167 points; Josephine Kroodema, 146½; Clarence Schipper, 144 points; Janet Van Gelderen 144; Lawrence DeVries, 143½; Cornelia Shoemaker 143; in the junior test 181 points could be received. The following are the seven highest: Dena Lokers, 162 points; Chester Van Loo, 156 points; Ruth Hietje 155 points; Florence Kossen 144 points; Elizabeth Heybler 140 points; Dick Walters, 138½; Bertha Bolman 138½.

Shorten the Gap--- between You and Your New House (Build the Bolhuis Way)

YOU are assured, if you place your contract with Bolhuis, that your new house will be built right, built at a saving, and that it will go up without expensive delays.

Why?

Because the Bolhuis Plan is a systematic plan to save labor, time, and materials without ever the slightest sacrifice in **QUALITY** either of materials or workmanship, anywhere!

Eliminate Wastes of Old-Time Methods

Further, you know that the Bolhuis organization is large enough, and properly equipped to give you just what they advertise—a "Complete Home-Building Service"—a service where the four steps in home-building (Plans, Materials, Millwork, Construction) are brought together in one organization, to *work together* and eliminate wastes caused by old-time methods of construction.

The gap between you and your new house can be shortened if you build the Bolhuis way. Come in and talk it over with us—No obligation whatever.

TO CELEBRATE OPENING OF NEW HOTEL

Big doings to celebrate the opening of the Warm Friend Tavern on May first were planned Wednesday evening at a meeting in the mayor's office. Three representatives from each of the five men's clubs in Holland, Merchants' association, Rotary club, Exchange club, Chamber of Commerce, and H. O. H. were present and G. J. Diekema was named chairman.

Plans were made for what amounts to a three day celebration, although on the first two days only the evenings will be used. The activities will open on Thursday night, April 30, with a banquet at the hotel for the stockholders whose money made the fine new institution possible. Invitations to this banquet are being prepared and will be in the mail soon.

The next day, May first, the new hotel will open for business, and on the evening of that day there will be a banquet at the hotel for the hotel fraternity of this whole section of Michigan. Invitations will be sent to hotel men of a wide radius and it is expected that here will be a big response. Included in the invitations will be the contractors and others who built the hotel.

The big public celebration will be on Saturday afternoon and evening. It is expected to develop into a sort of mardi gras and members of the committee are passing out the hint that local merchants should stock up with confetti, streamers, tin horns and other equipment of that kind because they are sure to be in big demand.

Opportunity will be given from 2 to 5 in the afternoon and from 8 to 10 at night to visit every part of the hotel from the top floor to the well equipped kitchen. The plan is to run the visitors up to the sixth floor in the elevator. There ushers will meet them to show them through the place and the same thing will be true on each floor, the people walking down from floor to floor. This celebration is not only for the people of Holland but for the people of Western Michigan. All are cordially invited. There will be entertainment both outside and inside the hotel afternoon and evening.

Mr. Diekema Wednesday night appointed a committee on arrangements which committee is to confer with A. H. Landwehr and Manager Tyson to make the celebration a success. The committee is composed of the following: Charles Kirchen, chairman, John S. Dykstra, James De Pree, Milo De Vries, and Mayor Kammeraad.

TO CHANGE COLOR OF FORMER LOCAL STEAMER

"It will be too bad to have to change her color from white to black and white," a friend wrote, the Muskegon Goodrich agent recently, in sending him a postal card with the City of Grand Rapids. Nevertheless, that is just the change being made. All Graham and Morton boats, which were formerly white, will become black and white, black below with white decks. Their funnels will be painted red and black.

CLASS OF 12 TO GRADUATE FROM SEMINARY

Western theological seminary will close the school year with the annual commencement on Wednesday evening, May 13, when a class of 12, one of the largest in the history of the school, will be awarded diplomas of graduation.

With two exceptions all are graduates of Hope college. E. H. Tanis has been named commencement orator for the class. Eight members of the class have received or accepted promises of calls to churches in the Reformed denomination.

The seminary this year has an enrollment of 39 students, the largest on record.

The prospective graduates are: Winfield Burggraaf, decaur; Martin Ralph De Haan, Holland; Garret E. DeJong, Orange City, Ia.; Henry J. Harsevoort, Holland; Justin H. Hoffman, Hamilton; John Henry Meens, Holland; Bert Henry Pennings, Orange City, Ia.; Richard Roosevelt, Sioux Center, Ia.; Abraham Rynbrandt, Jamestown; Stanley Dwight Schipper, Holland; Edward H. Tanis, Hamilton; Paul E. Trompen, Chicago.

DREDGE AT WORK FOR LOCAL PLANT

The tug "Chas. F. Glew," with large dredge in tow, part of the equipment of Robert Love Dredging Co., arrived in Holland last week. They are going to do some dredging for the Cappon & Bertsch Leather Co., north side plant. They will dredge a ditch from the tannery plant to Black river, from where water will be taken, to be used in washing hides and for better fire protection.

GOOD WEATHER HELPS GOLF COURSE

The beautiful weather of the past week has put the golf course into better shape than it has ever been since the Holland country club was organized. Many local golf enthusiasts were on the course Thursday and the course took on the appearance of midsummer.

Work on the additional nine holes that was started last fall is progressing rapidly and it is likely that before the season is ended the local club will have as fine an 18-hole course as is to be found anywhere.

Born to Mr. and Mrs. Herman Kappings of Lincoln Ave., a son.

Dr. J. R. De Vries of Overisel underwent an operation for appendicitis last Thursday at the St. Lawrence hospital, Lansing, Mich.

RESORT FIRE MAY STOP THE HOUSE PARTIES

The disastrous fire at Macatawa Park last Saturday will probably mean, according to some cottage owners, that in the future house parties will be prohibited between seasons. While not one of the three great fires at the resorts the past three years was due to such parties, certain cottage owners point out that it is more a matter of luck than anything else that such celebrations have not ended disastrously.

"Last winter," one cottage owner described the situation, "I happened to go to my cottage one night and while I was still quite a ways off I saw the sparks coming from a chimney near my place and being scattered far and wide. A house party was in progress in one of the cottages and a roaring fire had been built in the fireplace. A fire has to be roaring at that time of the year if a summer cottage is to be made comfortable by means of the fireplace and those in the house had no idea of size and number of the sparks that were issuing from the chimney and falling on roofs. Although I had meant to stay only a few minutes, I decided to stay all night to look after my property."

He declared that that state of things is quite common at certain times of the year when companies of young people gather at the resort for their festivities and he pointed out that if a policy is to be adopted looking toward protection against fire this house-party question will have to be considered carefully. It is pointed out that Macatawa is not on the same basis as another city where people are in their homes to look after them. During a large part of the year the resort community is deserted and greater precautions must be taken there than in town.

What steps will be taken has not been decided but it seems likely that a determined effort for fire protection in every possible way will be made.

CITY LEAGUE BALL OFFICIALS ARE NAMED

At a meeting of the managers of the teams of the Holland city baseball league the following board of directors was elected: President, William Visser; vice president, B. Vander Poel; secretary and treasurer, A. Sierma; C. Van Tongeren, O. Harris, O. Peterson. The following umpires were selected: Pat Nordoff, Bernie Roosen Dahl, Dick Jappinga, Fred Scheerhorn, Spriggs De Roller, Hick Hoover, and Garry Batema.

It is announced that if there is any team in the city that wishes to be represented in the league get in touch with A. Sierma before Saturday evening of this week. The rules that will govern the league this summer are:

Each team entering the Holland city baseball league must pay to the treasurer of the board of directors a sum of fifteen dollars. This amount must be in not later than the Saturday prior to the first league game.

A list of not more than fifteen men representing each team shall be turned in to the board of directors not later than the Saturday prior to the first league game.

All players playing baseball on independent teams and professional teams are barred from the league.

There shall be no paid players allowed in league games.

Players on field must be in uniform; the uniform consisting of baseball trousers, baseball shirts, and baseball socks.

The official baseball rules are to govern all league games.

The baseball business is to be divided equally between Ollie's, Van Tongeren, and the Superior Cigar store.

League games are to be started beginning Monday, May 11. Each team shall play twenty-one league games.

The board of directors, together with the managers of the various teams, are to draw up the league schedule.

The board of directors is authorized to purchase any equipment necessary to conduct the league properly.

Paid umpires shall officiate at all league games. A sum of not more than two dollars shall be paid an umpire for any league game he officiates at.

No player or players of a league team can play with another league team until four weeks after he has resigned from the team with which he has last played.

Any player is eligible to play with another team immediately after securing his release from the manager of the team he has last played with.

No player can change from one league team to another (after eleven games have been played by each team) without the sanction of the board of directors and the several managers.

All league games shall start promptly at 6:00 P. M.

All balls used during a game shall be turned over to the board of directors. (The umpires shall see that this is carried out.)

The matter of collections shall be left to the board of directors.

NEW CARPET LAUNDRY IS OPEN FOR BUSINESS

The new Holland rug and carpet laundry recently erected at the corner of Harrison avenue and 17th street is now open for business and inspection. Peter Hlemenga, the owner, has decided to use a cleaner using hot water and one that does not take the sizing off the rug. He has installed a Hamilton Beach carpet washer and the work can be done in the home itself, if desired, requiring only a few hours, although they are usually taken to the plant.

IMMUNIZATION IN PROSPECT FOR ZEELAND

Miss Nellie R. Lemmer, Ottawa County nurse, is in Zeeland today to try to interest health authorities in that city in a diphtheria immunization campaign. Since taking up her work as county nurse Miss Lemmer has already secured the immunization of 134 rural pupils in the county.

Holland a few months ago secured the immunization of about 85 per cent of the pupils in this city and Miss Lemmer hopes that both Zeeland and Grand Haven will soon take steps to the same end so that the example of the cities of the county may be an object lesson to the people of the rural sections.

"How lasting the work of a nurse is in a county," Miss Lemmer said while in Holland Monday, "is shown by the fact that I am constantly still running across traces of the work of Miss Blanche Post who was the county nurse in Ottawa several years ago."

Miss Lemmer has come across many interesting cases of late. In one school she visited she found a little girl who could not keep up with her classes. She had the child examined and the little girl was found to have tuberculosis. That brought the nurse to the child's home where she discovered that the father, an ex-service man, also has tuberculosis. As a result of Miss Lemmer's efforts the little girl will be taken to Howell and the father will be admitted to the Roosevelt hospital.

Cases of that kind are frequent, showing the great need of the nurse's work. Miss Lemmer is much pleased with the co-operation she is receiving from the people of the county and she is looking forward to a very successful year the first year of her service.

TRAVELING SECRETARY SPEAKS AT HOPE

Mr. A. Campbell, traveling secretary of the Student Volunteer Movement, has given several addresses to the Hope College students during the last two days. Thursday he spoke before the Y. W. C. A. and Student Volunteer groups and this morning he had charge of the chapel exercises. A long list of personal conferences has been arranged by the committee and it is expected that at least 25 students will have private interviews with the secretary today.

PRIZES ARE AWARDED IN MUSIC CONTEST

First prize of \$5 in the music memory contest was awarded this afternoon to Anna Marie Buurma, 5-2 grade, Lincoln school. Second prize of \$3 went to Marian Carrier, 5-2 grade, Horace Mann school. Honorable mention was given to Ruth Liveness, 5-2 Horace Mann; Billy Combe, 5-2 Horace Mann; Dorothy Smith, 5-2 Van Raalte; Helen Ariens Shaw, 6-2 Washington.

The papers were as a rule excellent. Two-thirds of them named all the compositions without an error, the better ones being judged on the explanatory remarks which they gave. The two winning papers differed by only one point after being carefully compared several times, and besides being accurate in content they were wonderfully neat and without errors in spelling. One of the "honorable mention" papers was an outstanding one from the standpoint of musical understanding but was so poorly written and so filled with errors in grammar and spelling that it could not be awarded a prize. There were 96 papers submitted, and some were intensely interesting, and some quite laughable because of the queer mistakes made, or the highly juvenile point of view.

BILL TO CHANGE COUNTRY SCHOOL CONTROL PASSED

The house of representatives Wednesday passed the Snow bill, proposing the complete overturn of the governing system for country schools. According to Rep. W. B. Snow of Kalamazoo, sponsor, the measure is designed to take the control and supervision of rural schools "out of politics."

The bill would abolish the office of county school commissioner and replace it with a county superintendent of schools. Instead of being elected as he now is, he would be appointed by an elected county board of education.

Rep. William J. Thomas of Kent succeeded in attaching an amendment which was designed to give the rural communities a greater hand in the choice of the board of education. It provides that members of the board may not all be selected from the cities, thereby depriving the municipalities holding a preponderance of the population in any county from controlling the election. The bill now goes to the senate.

The Knapp Tire and Vulcanizing Shop of Holland has opened a similar shop in Zeeland, the only one of its kind in that city, and has installed the latest machinery that makes it one of the best shops of its kind in this section of Michigan. The new shop is located on Main street in the center of the business district and Mr. Knapp is prepared to take care of all the needs of customers in his line. He will keep a full line of well known makes of tires and automobile accessories for the trade.

George Hamburg, who has been with Mr. Knapp at the Holland store for some time, has been placed in charge. Mr. Knapp is holding his opening get-acquainted week beginning Thursday morning and invites all to come in see the new place.

INSTALLATION WAS HELD THURSDAY

An appreciative audience of more than 200 attended the public installation exercises of the Star of Bethlehem Chapter No. 40, O. E. S., held at the Masonic Temple last Thursday night. Before the musical program was given, followed by installation exercises, a luncheon was arranged where Mrs. Elizabeth Webster of Battle Creek, Grand Worthy Conductor of the Order of Eastern Star in Michigan, was the honored guest. Mrs. Webster took full charge of the installation exercises being assisted by Grand Installing Marshal Mrs. Frank Oosting of Holland.

The installation of officers of the ladies auxiliary of the Masonic order was very impressive, the five points of the Star being exemplified by five ladies, during the year in which they are elected.

Flowers and gold played an important part in the installation exercises. The five retiring points of the star, in behalf of the local chapter, each presented to Mrs. Abbie Mins, retiring Worthy Matron, \$5 in gold, the presentation being made with due ceremony.

The incoming star points, Maggie White, Maile White, Ruth Hoover, Alberta Simpson and Minnie VanLopik, were presented with a basket of flowers each, as was the newly elected Worthy Matron, Mrs. Luella White.

Mrs. Elizabeth Webster, state officer in charge of the installation Thursday evening, upon completion of her work, was presented with a beautiful spray of American Beauty Roses given by Mrs. G. A. Lacey of Holland. Mrs. Frank Oosting of Holland was also the recipient of a beautiful bouquet of roses. Arthur Van Duren, local attorney, who has been patron of the local chapter for 17 years, assisting the ladies whenever the occasion presented itself, was also remembered by the order with a substantial box of "Dutch Masters."

Before the installation a musical and reading program had been arranged for by several of the past worthy matrons, each bringing talent for at least one number. The participants in every case were compelled to respond with encores, after giving their numbers, and that feature of the evening's doings was exceptionally pleasing and much appreciated by the audience. The program was a piano duet, (a) "Bolero" (Spanish Dance) (Moskowsky), (b) "Pizzicato" (Leo Delibes) the Misses Sarah Lacey and Marjorie Selby; reading "The Ballad of the Splendid Silence," Miss Dorothy Hofsteln; cantillation, "Hats," Junior High Girls; vocal solo, "I Gathered a Rose," (Dorothy Lee) Mrs. Grace Barnum; reading, "Betty at the baseball game," Miss Helen Johnson; vocal solo, "Carmena" (Waltz Song), (H. Lane Wilson) Miss Lucille Mulder. In responding to an encore Miss Mulder sang "Birds are Nesting," (Noel Johnson), Miss Eva Clarke, accompanist.

The ladies of the Star, all Past Worthy Matrons, who arranged the musical and reading program are: Mrs. Jennie Lacey, Mrs. Minnie Oosting, Mrs. Lucille Tyner, Mrs. Jessie Galentine and Mrs. Edna Bertsch.

The newly elected and installed officers were: Worthy Matron, Mrs. Luella White; Worthy Patron, A. A. Van Duren; Associate Matron, Mrs. Nell Stanaway; Sec'y, Mrs. Goldie Fox; treas., Mrs. Frank Bertsch; A. C., Mrs. Grace Barnum; chaplain, Mrs. Katherine Van Duren; marshal, Mrs. Gertrude Deagen; pianist, Miss Eva Clarke; Adah, Mrs. Margaret White; Ruth, Mrs. Nell White; Esther, Mrs. Ruth Hoover; Martha, Mrs. Alberta Simpson; Electa, Mrs. Minnie Van Lopik; Warder, Mrs. Martha Hoover; Sentinel, Mr. Norman Simpson.

COUNTY HAS TROUBLE IN STATE REBATE

"We try to buy equally from gas stations throughout the county, with due regard to the location of work being done," stated Carl T. Bowen, county engineer at Grand Haven Thursday, but in the future will only be able to purchase gasoline of registered gas stations in the county.

This state of affairs was brought about when the road commission asked the state for their rebate of the gas tax which is refunded to road commissions for fuel used in their trucks and tractors while on regular road maintenance work or construction. The bill was the gasoline tax, paid amounting to about three dollars per day.

A difficulty was encountered in securing the rebate when it was found that most of the gasoline vendors in the county were not registered with the state and had not reported their sales. Mr. Bowen was advised by Secretary of State Deland that dealers should secure the necessary blanks and register within thirty days or the county would be out the money they paid for gas tax since the tax has been inaugurated.

At the present time Mr. Bowen has been striving to get the dealers lined up and while a few have registered, most of them have not and the county cannot give them any business until they are registered as required. The road commission's gas tax, if lost, would mean an extra thousand dollars per year. Farmers and others who use gas for other purposes than propelling their automobiles, cannot secure a rebate of tax unless the gas is purchased of registered gasoline dealers.

Marion, four-year-old daughter of Mr. and Mrs. B. Johnson of Zeeland, was operated on Monday at Holland hospital for appendicitis.

Born to Mr. and Mrs. Jack Vander Hill, a daughter.

HAMILTON MAN USES PUMP WRENCH AS AN ARGUMENT

Last week on Tuesday night at 9:30, a little later in the evening, a brother-in-law of Johnson called at the engine room to explain to Johnson that he had been to the Johnson home to get consent of his wife for one of the Johnson girls to work for his wife and that Johnson's wife had told him that it would be necessary to get the consent of the girl's father. Knowing likely of the mission of the son-in-law and thinking perhaps that the time was opportune for him to reprimand Johnson for his autocratic treatment of his wife, Navenzel made a second visit to the engine room and proceeded to administer the reprimand. Angered beyond control of tongue, Johnson made reply with a most insulting remark. Navenzel thereupon making a threatening move in the direction of Johnson, the latter, angered to madness and planning self-defense, seized a pump wrench and with it struck Navenzel a terrific blow on the head.

Johnson was taken into the custody of Undersheriff Harry Lampen and taken to the jail in Allegan, where he is being held until the seriousness of Navenzel's injuries can be more accurately ascertained, which will determine the charge to be entered against Johnson.

The two men have both resided in the community, almost as neighbors, for many years, have been closely associated in their work at the brickyard and so far as is known have never before had an serious misunderstandings.

for a time, spread more rapidly than the parasites. In fact, the American Museum has discovered a local infestation within the limits of New York City.

"This group in the Museum was constructed, under the direction of James L. Clark, by Messrs. Burns and Jensen of the Department of Preparation, from field studies conducted by Mr. Burns and by Mr. Mutchler of the Department of Entomology. It is exceedingly important that every one should learn to recognize this new pest and, if they find it more than fifty miles from Philadelphia, they should report it at once to the proper authorities."

PROPOSALS FOR CITY SCAVENGERS

Proposals will be received by the Board of Health of the City of Holland, Michigan, at the office of the City Clerk of said City, until 9 A. M. of Monday, May 4, 1925, for bids from persons desiring to be appointed as City Scavenger. Such bids shall describe the territory or part of the city in which said persons desire such appointment. If less than the entire city, and what part of the work he wishes to carry on, if less than all that is required by the ordinance and the rules and regulations of the Board of Health, and shall state price in the usual units. The price for garbage, excrement and refuse shall be stated separately, and may also be stated to cover for all, if the bidder so desires.

The right shall be reserved to reject any and all bids.
By order of the Board of Health.
Dated April 17, 1925.
RICHARD OVERWAY,
City Clerk.

NOTICE TO CONTRACTORS

For construction of Ottawa county assessment district road No. 12, Grand Haven Township, Ottawa County, Michigan.

Sealed proposals will be received at the office of the Board of County Road Commissioners, Ottawa County, Grand Haven, Michigan, until 10:30 a. m., Central Standard Time, April 30, 1925, by the Board of County Road Commissioners for 3.5 miles of 18 feet cement concrete pavement in Grand Haven Township, Ottawa County, Michigan.

The work will consist of grading and paving and placing the necessary drainage structures in accordance with plans and specifications on file in this office.

The project will be divided into two divisions. Bids will be received on each section separately or both divisions together. A complete grading and paving equipment will be required on each division.

Plans may be examined and instructions to bidders, specifications and proposal blanks obtained at the office of the Board of County Road Commissioners at Grand Haven, Mich. Plans will be furnished to bidders upon the receipt of \$5.00 deposit which will be refunded upon the safe return of the plans.

The successful bidder will be required to furnish a Corporate Surety Company's bonds as approved by said commissioners. A certified check in the sum of \$500 made payable to the Board of County Road Commissioners of Ottawa county, must accompany each proposal.

The right is reserved to reject any or all bids.

Board of County Road Commissioners—Ottawa County

By AUSTIN HARRINGTON, Chairman.

WILLIAM M. CONNELLY, BAREND KAMPS,
Grand Haven, Mich.
April 15, 1925.

No. 10376—Exp. May 9

NOTICE TO CREDITORS
STATE OF MICHIGAN—The Probate Court for the County of Ottawa.

Notice is hereby given that four months from the 13th of April A. D. 1925, have been allowed for creditors to present their claims against said deceased to said court of examination and adjustment, and that all creditors of said deceased are required to present their claims to said court, at the probate office, in the city of Grand Haven, in said county, on or before the 13th day of August A. D. 1925, and that said claims will be heard by said court on

Tuesday, the 25th day of August A. D. 1925, at ten o'clock in the forenoon.

Dated April 18th A. D. 1925.

JAMES J. DANHOF, Judge of Probate.

BOY SCOUTS TO HOLD TOURNEY

A boy scout basketball tournament is to be held in the high school gymnasium this week in which all the teams of the boy scout troops will take part. The tournament was held on Tuesday, Thursday and Friday evening of next week and a hot contest is expected, as the rivalry between the various teams is keen.

An added touch of interest is given to the tournament by the fact that the team that wins the tournament will have the honor of playing the scoutmasters' team. That is expected to be a battle much worth while and the scouts are looking forward to it with interest.

STAGE CLINIC FOR CRIPPLED CHILDREN HERE

Under the auspices of the Rotary club working as a component part of the Michigan Society for Crippled Children, a clinic will be staged in Holland on May 15th where all parents of such children and surrounding community will be given an opportunity to have them examined under the supervision of a national specialist. Dr. William E. Blodgett of Detroit, himself a member of the Rotary, is one of the best known orthopedic specialists in the state and nation and he will give a whole day to the crippled children of this community.

Under the direction of Dr. R. H. Nichols, the Holland Rotary club has been engaged in work for crippled children for several months and the names of between 50 and 60 such children have been secured. The club is looking for more and any one knowing of a case can do a service to the child and the club by making it known to the club.

The place where the clinic will be held on May 15th will be announced later. Dr. Blodgett will personally supervise the examination of each case, working in conjunction with the doctors of Holland, all of whom are invited to bring the cases in their own practice and to help Dr. Blodgett during the day of the clinic. Any person knowing of a crippled child can do it a service by persuading the parents to take it to the clinic as there is seldom so good an opportunity to have it examined by a high grade specialist.

There will be no operations on the day of the clinic. All that will be done is to make diagnoses and give advice as to the course of treatment that is advisable. The parents can decide later whether they wish to follow the advice or not. The service is of course free, being provided by the Rotary club as a contribution to

this community. The Rotary club has done some of its best work in child welfare and this is a part of that work. It points out that a large number of crippled children can be completely cured if treated early enough and it hopes that all the crippled children of this community will come to the clinic.

JAPANESE BEETLE SERIOUS MENACE

Last year the Japanese beetle destroyed a great deal of vegetation in certain parts of Ottawa county, particularly along the lake shore. A recent issue of the Literary Digest had the following on this pest that may be of interest to those whose trees and grapevines have been denuded by the beetle:

AN INVASION BY JAPANESE BEETLES

A realistic and effective exhibit showing the ravages of a swarm of Japanese beetles may now be seen at the American Museum of Natural History, in New York, we are told in a recent press bulletin of the Museum. The curator of entomology, Dr. Frank E. Lutz is of the opinion "that this insect is apt to become one of the worst insect scourges that has ever attacked the United States." Dr. Lutz interestingly describes the life history of these pests as follows:

"Only a few years ago, in 1916, Mr. Weiss, an official entomologist of New Jersey, discovered the pest near Camden. It is a greenish beetle about the shape and size of a potato-bug or Colorado-beetle, but is more elongate. Its grub lives underground, feeding upon the roots of grasses and other vegetation. A native of Japan, it probably reached the vicinity of Camden by being hidden away in the balls of earth surrounding the roots of imported Japanese plants."

"The Federal authorities were immediately notified, but the damage had been done and now the beetle is firmly established throughout a large area in southern New Jersey and eastern Pennsylvania. Its numbers are myriad and its appetite is insatiable. Our exhibit at the American Museum shows the beetle in a peach orchard, but it also attacks almost any kind of vegetation.

"Since the grubs live underground, they can not be reached by poison sprays. Possibly as much damage is done by the adults as by the grubs and, because they are such general feeders, poisons are not practically effective against them. The U. S. Bureau of Entomology has established a Japanese Beetle Laboratory at Riverton, New Jersey, in the heart of the infested area, where work is being carried on in co-operation with New Jersey and Pennsylvania. The most hopeful remedy at present seems to be the introduction from Asia of the insect parasites which hold the beetle in check there. This will not be a cure, and a cure is probably now too late. At best these parasitic insects, friends of man, will only keep down the numbers of the beetle and the beetle will probably,

Michigan Railway Line

INTERURBANS**MUST BE GIVEN A CHANCE**

Holland is naturally interested in legislation affecting Michigan interurban roads since the Holland interurban serves this city and the Holland resorts and the discontinuance of that service would be a blow to the community and the suburban dwellers, who purchased property near the line, especially.

One of the best pieces of legislation that has been started in this session passed the senate Monday night and reached the house Tuesday. That is the Karcher bill, which will give to railroads and interurbans an inherent right to parallel their lines with buses.

The bill came as a result of the wrecking of the interurban and many short line railroads through the competition of the buses and the trucks, for which Michigan taxpayers provide and build a right-of-way of concrete.

It is necessary under the law for the buses to show "convenience and necessity" before they are given a permit to operate, but the utilities commission has seen fit to rule that the "convenience and necessity" applies only as between bus lines and not as between bus lines and rail lines.

The result has been that bus lines have begun operation in direct competition with interurbans and railroads until there is today just one interurban not in the hands of a receiver and in the case of this it has been announced that one will shortly be applied for.

In the northern part of the state many railroads are virtually out of business and are suspending service and making application to abandon lines largely because of this competition.

The result is that, applied to interurbans alone, more than \$100,000,000 invested is on the way to the scrap pile because of the competition of an

investment of but \$2,000,000 and roads paying taxes amounting to more than \$800,000 are being forced to give way to bus lines paying but \$74,000 tax.

The sole salvation for the interurbans and the struggling railroads lies in securing power to operate bus lines parallel to their rail lines.

The Karcher bill permits this. It permits the railroads and the interurbans to operate bus lines parallel to their present rail lines without the necessity for showing convenience and necessity. It gives them inherent and prior rights to the territory which they developed and have been serving and may give them a chance for life.

The bill passed the senate in face of stiff opposition from the bus and truck line men, who had sewed up a considerable number of senators.

Tuesday a swarm of bus and truck men were in Lansing working on the house in an effort to kill the bill there. If they should succeed, they would be killing not only a bill but the railroads and interurbans, who can no longer stand in the face of the competition which Michigan is making easy through the building of concrete highways at the expense of the taxpayers.

MAN, 39, WHO WED**GIRL, 15, ARRESTED****ON PERJURY COUNT**

Hiram Hillard of Allegan, who gave his age as 39, was placed under arrest several hours after he had obtained a license and was married to Florence Wuls by Justice Fildus Flasher, the charge of perjury being placed against him in obtaining the marriage license.

It is alleged Hillard swore the girl was 16 years old, whereas birth records show she will not attain that age until May 6.

Richard Wuls, the girl's father, also was taken into custody, as he is said to have declared the girl 16. Wuls was not held in jail. Neighbors, learning of the wedding, telephoned officers, who made an investigation and warrants were issued immediately. Hillard is a painter and has been previously married.

FORMER EAST**HOLLAND WOMAN PASSES AWAY**

John Weersing has received a telegram announcing that his mother, Mrs. J. Weersing died last Thursday evening at the home of her son, Martin J. Weersing, in Chicago. Death came after a lingering illness at the age of 77 years. She is survived by five children: John Weersing and Mrs. Kate Havedink of Holland, Mrs. Cora Ten Cate, Rev. Jacob Weersing and Martin J. Weersing of Chicago.

The body will be taken to Zeeland for interment and the funeral services will be held in Rev. M. Van Vessum's church in Zeeland at 2 o'clock on Monday afternoon, April 27. This notice is intended for friends and relatives who are not otherwise notified.

Mrs. Weersing was for many years a resident of East Holland and later made her home in Zeeland.

HOLLAND ATTORNEY APPEALS CASE FOR ALLEGAN GIRL

The case of Metta Belle Hillman vs. Justice William R. Gardner of Allegan has been appealed from justice court to circuit court by her attorney Charles Van Duren of Holland. Justice Fildus E. Flasher recently rendered a small judgment against Gardner for making excessive charges when Miss Hillman and 10 others were arrested at Saugatuck, where the party of young folk had sought shelter in an unlocked cottage during a heavy rain.

SEEKS RELEASE FROM OTTAWA COUNTY JAIL

August Schultz has filed a petition in circuit court at Muskegon asking to be discharged from imprisonment at the Ottawa county jail, where he is held following his failure to pay a judgment awarded by a circuit court jury of Ottawa county, where he was tried in a land deal. The habeas corpus proceedings were opened there on account of the absence of Judge Cross of Ottawa county.

FIRST RESORT ADS**BRING ASSOCIATION BATCH OF INQUIRIES**

A heavy volume of inquiries greeted the season's initial advertising of the Michigan Tourist & Resort association in 22 Sunday papers April

19, extending from Detroit and Chicago south to the Gulf of Mexico. First replies arrived in the morning mail Tuesday, 280 letters being received on that day, largely from Detroit, Chicago and Indianapolis. The daily mail for Wednesday and Thursday averaged nearly 300 letters each, several replies being received Thursday from points as far south as Dallas.

Advertising will be continued in Sunday newspapers until well into the

tourist season, a few midweek ads also being planned. Advertising will also appear in a select list of weekly and monthly magazines.

The peak of the association's inquiries will not arrive until June when a large force of clerks are required to open mail, tabulate names and addresses and mail literature to those asking for information. The association will hold a dinner meeting at the Hotel Pantlind tonight when prospects for the season will be discussed.

BOARD OF REVIEW

Notice is hereby given that the Board of Review and Equalization of the City of Holland will meet at the Common Council Rooms of said City at 9:00 o'clock in the forenoon of

Tuesday, May 5 1925

and that it will continue in session at least four days successively and as much longer as may be necessary, and at least six hours in each day during said four days or more, and that any person desiring to do so, may then and there examine his assessment.

RICHARD OVERWAY, City Clerk.

Dated Holland, Mich., April 17, 1925.
